

100% ALTEC Helmet

Intelligent
lightweight
protection
for your
everyday ride.

100% ALTEC Helmet

Whether it's hard-charging trails or hammering hills, the 100% ALTEC is the rider's choice for an incredibly lightweight, ventilated and protective trail helmet. Also featuring the Smarts shock suspended rotational system, the ALTEC's patented Smarts shock elastomers reduce energy transfer to the brain over a wide range of speed and impact types.

A L T E C

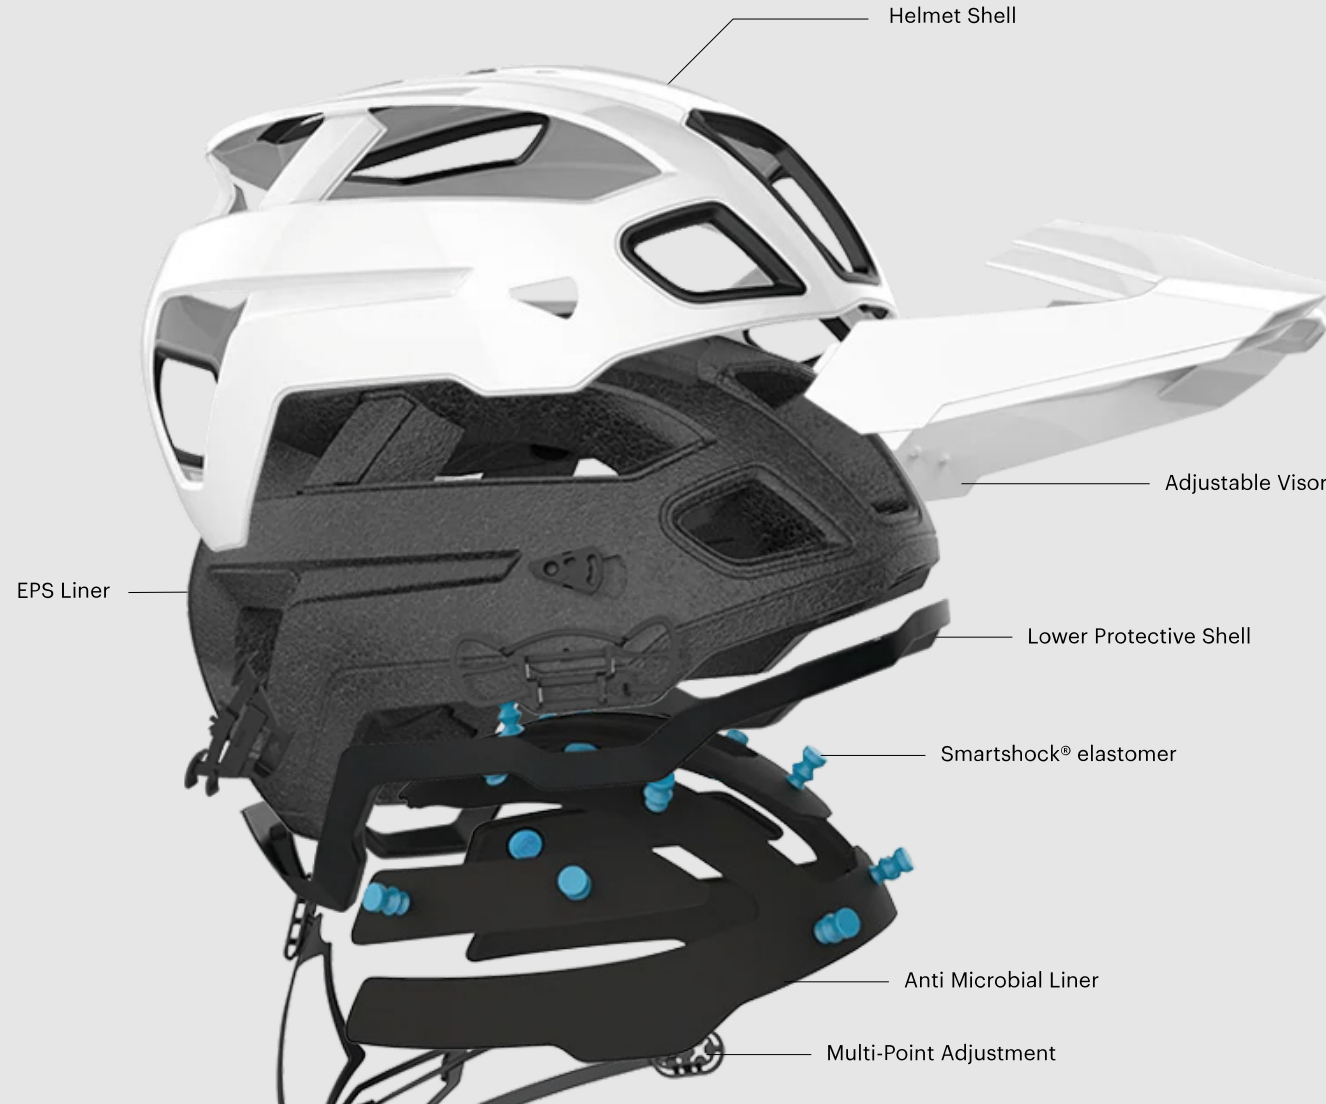

Certifications

The ALTEC is tested and certified according to ASTM (F2032-15), CPSC (16 CFR 1203), CE (EN 1078:2012+A1:2012), and AS/NZS (2063:2008) Bicycle Standards.

100% ALTEC Helmet

Incredibly
lightweight,
ventilated and
protective.
