

HD008CAM

Height Adjustable Camera Desk Stand 7.5 to 9.75 inch tall for Mevo Live Streaming Camera
Retail Black

DESCRIPTION:

Use Arkon's HD008CAM Camera Desk Stand with Livestream's Mevo live streaming video camera for stable live streaming on the Facebook Live app. This exciting new camera features a 150-degree lens with real-time editing capabilities using your iPhone. Mount the Mevo camera to the camera stand to stream video via Wi-Fi or LTE using the Facebook Live app. The stand's height-adjustable shaft easily extends upward from 7.5 inches to 9.75 inches, so you're always live streaming from the right angle. The 7.5-inch Camera Stand Holder for Live Streaming can be used on a desk, counter, table, podium, or other flat surface. The weighted base keeps the stand in place. This camera stand can also be used with other compatible 1/4"-20 digital cameras and video cameras, including those from Nikon, Sony, Samsung, Canon, Fujifilm, Olympus, Panasonic, and Pentax.

FEATURES:

- For streaming live video on Facebook Live with Mevo live streaming video camera
- Height adjustable stand extends upward from 7.5 to 9.75 inches
- Weighted base keeps stand in place
- 2 year limited warranty
