Desk Stand for Mevo Camera for Live Streaming and Live Video 29 inch tall Retail Black

### DESCRIPTION:

Arkon's HD829CAM Camera Desk Stand Holder is designed to facilitate stable live streaming on Facebook Live with Livestream's Mevo live streaming video camera. This exciting new camera features a 150-degree lens with real-time editing capabilities using your iPhone. Use the Mevo camera mounted to the 29-inch Camera Desk Stand to stream video via Wi-Fi or LTE using the Facebook Live app. The stand's height-adjustable shaft easily extends upward from 17 inches to 29 inches, so you're always live streaming from the right angle. The camera stand is ideal for streaming live video from a desk, counter, table, podium, or other flat surface. It can also be used as a floor stand next to someone in a wheelchair or sitting on the sofa. The weighted base keeps the stand in place. This camera stand can also be used with other compatible 1/4"-20 digital cameras and video cameras, including those from Nikon, Sony, Samsung, Canon, Fujifilm, Olympus, Panasonic, and Pentax.
