

RVHD008

Arkon RoadVise Phone Desk Stand Countertop Mount for iPhone 7 6S 6 Plus iPhone 7 6S 6 Galaxy S7 Retail Black

**DESCRIPTION:**

RVHD008 is a high-quality heavy-duty universal smartphone desk stand holder with a weighted base that facilitates stable live streaming from your smartphone on a desk, counter, table, podium, or other flat surface. It securely fits phones with cases weighing up to 2 pounds and measuring up to 4" wide, including Apple iPhone 7 and 7 Plus, iPhone 6S Plus and 6 Plus, iPhone 6S, 6, 5S, and SE, Samsung Galaxy Note 7, Note 5, and Note 4, Galaxy S7, S6, and S5, Google Nexus 6 and Nexus 5, LG G5, G4, and G3, HTC One M9, One M8 and One Max, Nokia Lumia 1020 and 1520, and Motorola Moto G and Moto X. This package includes Arkon's RoadVise Universal Smartphone Holder and a Heavy-Duty Tablet Stand with Telescoping Arm and Weighted Base. Arkon strongly recommends using the RoadVise Holder with smartphones that have skins and ruggedized cases attached. This ensures a secure grip in the holder and protects your phone. The low-profile RoadVise holder was designed to require two hands to install and remove the phone from the holder. This feature ensures that your phone is not accidentally removed while broadcasting using the mount. The stand weighs 3.4 pounds and its arm easily extends upward from 7.5 inches to 9.75 inches. The locations you can live stream from are endless. Whether you're presenting at a conference, teaching in a class, or live streaming from home or the office, RVHD008 is a must-have companion accessory for your Periscope or Facebook Live broadcasts.
