SAVE THESE INSTRUCTIONS

Please read these instructions before using this product. They include important safety and operation information.

WARNINGS

- NOT FOR USE ABOVE HAZARDOUS LOCATIONS
- DO NOT use in explosive atmospheres, near flammable liquids, or where explosion proof lamps are required.
- DO NOT use in the proximity of vehicles or equipment when there is a risk of flammable liquids coming into contact with the flashlight.
- DO NOT expose the batteries to water or salt water, or allow the batteries to get wet.
- DO NOT store the batteries with metallic objects that may cause a short circuit.
- Immediately discontinue use of the batteries if they emit an unusual smell, feel hot, change color, change shape or appear abnormal in any way.
- Keep out of the reach of children.

INSTALLING BATTERIES

- Unscrew the battery compartment door on the back of the headlamp.
- Insert the batteries per the outline inside the battery compartment. Observe the correct polarity of the batteries.
- Close the battery door and fasten the battery compartment door screw.
- The headlamp is now ready for use.

OPERATION

One switch located on top of the headlamp controls all lighting modes.

SPOTLIGHT

- To turn on the spotlight, press the switch on the top of the light one time.

FLOODLIGHT

- Pressing the switch a second time will turn off the spotlight and turn on the floodlight.

DUAL-LIGHT

- Pressing the switch a third time will turn on both the spotlight and the floodlight at the same time for Dual-Light mode.

OFF

- Pressing the switch a fourth time will turn all lighting modes off.
