QUALITY NYLON

Lightweight, flexible rope leashes feature a swivel snap to prevent tangling. Bigger is better with the chain traffic leash and heavy-duty 1 3/4" double-ply nylon collars.

Fully adjustable soft, braided nylon Sunburst® collars and leashes are great for growing puppies and small dogs. Jeweled collars add a touch of sparkle. Poly leashes are weather resistant and tangle proof.

K9 Explorer® collars have a side-release buckle and moveable D-ring. Nylon leashes feature a padded neoprene handle and one-handed scissor snap. Attractive rope slip and rope snap leashes are strong and durable. Harnesses offer a comfortable neoprene chest pad.

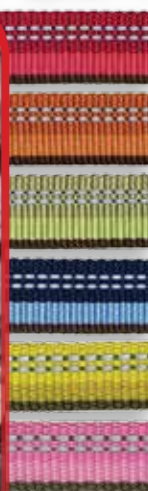

Waterproof collars are durable, odor resistant and easy to clean. Soy collars, leashes and harnesses are made from a blend of all natural fibers featuring soy. A natural by-product of food manufacturing, soy fibers are soft, eco-friendly and have anti-bacterial properties.

LEATHER

Circle T® fashion leather collection features black leather with pink, blue or green jewels as well as color-coordinated stitching and soft leather backing for comfort.

Circle T® latigo leather is made from full, top grain leather distinguished by natural markings. Hides are hot stuffed with just the right amount of oils and tallowes to give the leather a very nice hand.

LEATHER

Latigo leather with brass snaps ensures smooth action and are excellent for cold weather use. Circle T® round leather collars are perfect for dogs with long hair or sensitive skin.

QUALITY NYLON

Breakaway collars allow for escape if the cat becomes entangled. Nylon leashes feature the patented, one handed E-Z Snap®. Adjustable figure "H" harnesses have durable snap-lock buckles.

W6170

The Safari® mat remover and de-matting comb safely remove knots and tangles. The dual-sided shedding blade can be used with the handles together or separated to remove loose hair. Undercoat rakes penetrate deep to remove undercoat.

Safari® rakes with rotating pins gently pull through the coat without damage. Shed Magic® de-shedding tools have stainless steel blades that are great for removing loose hair and stubborn mats or tangles without irritating the skin.

THE QUALITY LEADER

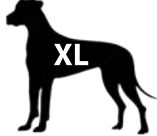

Coastal Pet has been manufacturing pet products and providing exceptional customer service since 1968. A family owned, American manufacturer, Coastal Pet is committed to leading the industry with innovative, quality pet products that enrich the interactions between pets and their owners. We proudly manufacture a vast array of collars, leashes and harnesses at our state-of-the-art facility in Alliance, Ohio. This includes handcrafted leather and the majority of our nylon products.

Coastal Pet is much more than an American manufacturer of the best restraints in the industry. As the quality leader, Coastal Pet has been setting the bar for decades for standards that remain unsurpassed today. Renowned for producing the highest-quality products in the industry, Coastal Pet has always been on the cutting edge of innovation and design.

Coastal Pet has an in-house testing laboratory and frequently performs tests on all products to maintain a high level of quality in both materials and workmanship.

In addition, Coastal Pet is proudly known for stellar logistics. With 99.9% accuracy in shipments and consistent on-time delivery, we are the industry leader in accurate/on-time delivery.

THE QUALITY LEADER

Coastal Pet has been manufacturing pet products and providing exceptional customer service since 1968. A family-owned, American manufacturer, Coastal Pet is committed to leading the industry with innovative, quality pet products that enrich the interactions between pets and their owners. We proudly manufacture a vast array of collars, leashes and harnesses at our state-of-the-art facility in Alliance, Ohio. This includes handcrafted leather and the majority of our nylon products.

Coastal Pet is much more than an American manufacturer of the best restraints in the industry. As the quality leader, Coastal Pet has been setting the bar for decades for standards that remain unsurpassed today. Renowned for producing the highest-quality products in the industry, Coastal Pet has always been on the cutting edge of innovation and design.

Coastal Pet has an in-house testing laboratory and frequently performs tests on all products to maintain a high level of quality in both materials and workmanship.

In addition, Coastal Pet is proudly known for stellar logistics. With 99.9% accuracy in shipments and consistent on-time delivery, we are the industry leader in accurate/on-time delivery.

Coastal Pet Products, Inc. is committed to enriching the interactions between pets and people by providing high-quality, lifestyle products that support the care and safety of dogs and cats.
