Did you know that both the original Road Runner head and the Barbed Head feature the same blade?

This blade is a nickel over brass construction. It's not tin over steel like those imitators. This quality blade really thumps as it travels through the water, attracting more fish.

“My Salt Runners put fish in the boat!

They have the sound, flash and vibration, that fish just can't resist.

It casts like a 1/4 oz. but retrieves S-L-O-W like an 1/8th oz..”

“My series of Walleye Hooks by Daiichi are the best of the best! I put more fish in the boat with these hooks than any other hook I’ve used in 30 years. Sticky sharp and super strong is what I look for”. Awesome Walleye Hooks provide just that!

—Tommy
