

## Chinook Kodiak Peak II -5F Sleeping Bag

The Kodiak Peak is great for outdoor winter pursuits, when temperatures are not quite so extreme. Expedition-ready features such as Insufil® Thermo insulation, ergonomic head gasket and foot box, draft tubes and neck collar. Available with left or right zippers, and may be zipped together with other compatible bags.

Insufil® Thermo technology provides high loft and exceptional warmth making bags soft, lightweight and compact. The Insufil® fibers are bonded using a special heating process that produces insulation that does not clump and fibers that do not separate during use.
