

Chinook Kodiak Lite 14F Sleeping Bag

The Kodiak Lite is great addition to our Chinook line. Ideal for spring and fall outings. Insufil® Thermo insulation ergonomic. Head gasket and foot box, draft tubes and neck collar. Available with right or left zippers, and may be zipped together with other compatible bags.

Insufil® Thermo technology provides high loft and exceptional warmth making bags soft, lightweight and compact. The Insufil® fibers are bonded using a special heating process that produces insulation that does not clump and fibers that do not separate during use.
