

### ENJOY YOUR PATIO

Keep your outdoor furniture looking newer by shielding it from the elements while not being used. Pull your covers off and enjoy fresh, bright, clean chairs, tables, and umbrellas.

### PRESIDIUM™ PROTECTION

Super dense 600 Denier fabric provides an excellent moisture barrier while maintaining breathability and air flow.

### SIZED TO FIT

Measure your patio chairs and then select the closest size from the menu for a great fit! See more information below for measuring your chairs.

### QUALITY CONSTRUCTION

From the YKK outdoor zippers to the leak resistant overlap seams, these covers are made to last.

### MEASURE YOUR CHAIRS

Carefully measure the following lengths of your chairs and select the closest size from menu when ordering.

**W = Width** - calculated by measuring from left to right across the front of the chair or chaise.

**D = Depth** - found by measuring your chair or chaise from the back to the front.

**H = Height** - determined by measuring from the ground to the top of the back of the chair or chaise.

### MADE TO ORDER IN CALIFORNIA
