

ENJOY YOUR PATIO

Keep your outdoor furniture looking newer by shielding it from the elements while not being used. Pull your covers off and enjoy fresh, bright, clean chairs, tables, and umbrellas.

PRESIDIUM™ PROTECTION

Super dense 600 Denier fabric provides an excellent moisture barrier while maintaining breathability and air flow.

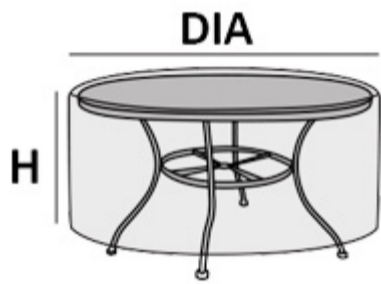

SIZED TO FIT

Measure your table and then select the closest size from the menu for a great fit! See more information below for measuring your table.

QUALITY CONSTRUCTION

From the YKK outdoor zippers to the leak resistant overlap seams, these covers are made to last.

MEASURE YOUR TABLE

Carefully measure the following lengths of your table and select the closest size from menu when ordering.

DIA = Diameter - found by measuring from one side of the table across to the opposite side.
H = Height (or drop) - determined by measuring from the top of the table to the ground.
