

DRAGON FIRE

By ProFire

THEY SAY DRAGONS NEVER TRULY DIE AND THESE GRILLS ARE NO EXCEPTION

Our new 32" & 40" Dragon Fire Grills are designed to outlast the rest. Entirely built out of commercial-grade 304 stainless steel our grills are quality built inside and out and backed by the most comprehensive lifetime warranty in the business.

And there are plenty of cool features too. The sleek radius hood glides smoothly for opening and closing of the grill, the spit fire ignition system lets you start your grill quickly and easily, blue lights let you see the controls clearly at night while the interior of the grill is illuminated with integrated LED lights. Perfectly fits into any outdoor kitchen/man cave as a built-in or, on our stainless steel portable cart featuring simple lock-in grill head design, two easy lift-off doors, locking swivel casters and oversized stainless steel drop-down shelves.
