Café Collection

Our Café Collection is a caffeine lover's dream. Featuring double wall vacuum-insulated technology our café bottles, tumblers and camp mugs are designed to keep liquids fresh and toasty hot or, for our ice coffee and tea lovers, icy cold for hours. A great way to reduce your carbon footprint and keep every sip just as enjoyable as the first!

Café Bottles

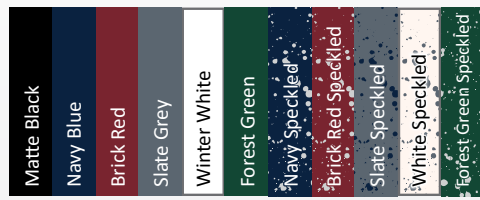

Our bottles are made of lightweight recyclable 18/8 stainless steel and feature double wall vacuum insulated technology. This technology prevents condensation on the outside of the bottle, known as sweating, and keeps your preferred beverage toasty hot or icy cold for hours. These wide mouth bottles come in 12oz, 16oz and 20oz sizes with multiple color options to choose from.

Café Tumblers

Our 16oz and 20oz Tumblers are designed to fit comfortably in your hand and most car cup holders. They are made of lightweight 18/8 stainless steel and feature double wall vacuum insulated technology. They come with our specially designed pressure fit slide lids to keep your favorite drink toasty hot or icy cold for hours.

Wine Collection

The wine collection is designed to keep wines chilled or at the optimal temperature all day. Our 750mL wine growlers hold a full bottle of wine, and they keep the carbonation fresh and bubbly when taking your favorite champagne with you. Pair it with our double-wall vacuum-insulated 350mL wine tumblers for wine tasting and parties. They come with a pressure fit lid that is splash proof for when you're viewing the vineyard hillsides. Enjoy wherever celebration leads you.

Champagne Flute								
350mL Tumbler								
750mL Growler								

The 750mL vacuum-insulated wine growler and tumbler set is designed to keep wine at the perfect temperature all day! Your wine growler makes an ideal traveling companion to keep your wine cold or at the optimal temperature without condensation.

Coming Soon!

The 7oz Champagne Flute is ideal for ringing in the New Year or toasting a new couple. Its sleek and narrow design makes it a must for every special occasion. The vacuum-insulated walls ensure your champagne is kept chilled until the last drop and the double-wall technology prevents sweating on the outside of the flute, so you don't have to worry about it leaving a water ring on your table.

7oz Champagne Flute and 350mL Tumbler

Coming Soon!

The 350mL wine tumbler's gloss finish and chic design make it a must-have for any lavish event or back deck party. Ideal to use for a springtime brunch or adventuring into the unknown, the vacuum-insulated walls ensure your beverage is kept at its ideal temperature amid each drink.

Food Storage

Take the taste of home with you on your outdoor adventures with our food containers. The double-wall vacuum-insulated technology will keep your hot soups piping hot for those cold days on the mountain. Take your yogurt parfait with you while on the go, and enjoy knowing it will be cold, fresh, and ready when you reach your destination.

Push button to seal or open container.

Vacuum Insulated Bowls

This bowl features double-wall vacuum-insulated walls ensuring your favorite foods are kept icy cold or piping hot for hours. The technology prevents sweating on the outside of the bowl so you can feel relaxed knowing it won't slip out of your hands. It is made of lightweight 18/8 food-grade stainless steel that is non-leaching and will not retain taste or odor.

Bowl							
Plate							

Includes Silicone Lid

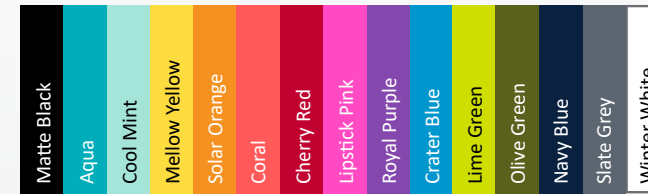

Your bottle doesn't have to look like the rest. Make it your own by adding color from one of our popular straw or flip lids. Pop it open with one of our new sport caps which are available in 14 vibrant colors. Mix and match and complete it with a paracord handle to set your bottle apart from the rest.

Silicone Straw 6 Pack with 2 Cleaning Brushes

Reusable silicone straws are becoming more and more popular everywhere you go. Join the movement and get your 6 pack of straws.

- Flexible straw can easily fit into most lids
- Includes 2 cleaning brushes
- 10 inch (25 cm) length and 0.43 inch (1.1 cm) outside diameter
- Suitable for all types of drinks
- Does not affect taste
- Reusable and environmentally friendly

Paracord Handles

PARACORD HANDLE

The FiftyFifty Paracord Handles are perfect for getting a grip on your favorite FiftyFifty Bottle. Made of 350 lb paracord and includes a rubber band for secure placement. The thick rubber band along with the top clasp ensures the two connection places stay in place for a sturdier handle. The paracord is adjustable along the inner bungee allowing you to adjust the grip and tightness to ensure a firm fit.

Compatible With:

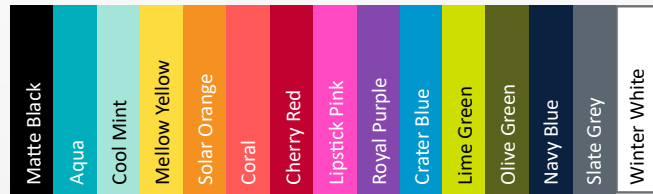

FiftyFifty 12oz Bottle, FiftyFifty 16oz Bottle, FiftyFifty 18oz Bottle, FiftyFifty 20oz Bottle, FiftyFifty 25oz Bottle, SevenFifty 750mL Wine Growler, FiftyFifty 34oz Bottle & FiftyFifty 40oz Bottle

Paracord handles include silicone strap.

CAPS

WIDE MOUTH DUAL DRINK CAP

Includes 2 Straws

Flip or sip on the go!

The FiftyFifty Dual Lid is perfect for individuals who like options. It's innovative patented design allows you to either flip open the spout for easy chugging or lift up the straw to easily sip away your favorite beverage.

WIDE MOUTH FLIP CAPS

The FiftyFifty Flip Lid is made for coffee and tea lovers as it helps reduce the flow of liquid making it perfect for drinking hot beverages. It easily flips open when ready to enjoy your favorite beverage and securely closes until the next. The inner silicone ring is made to securely fit to the top of the bottle keeping your beverage at its optimal temperature and is removable for proper cleaning.

CAPS

WIDE MOUTH 3 FINGER CAPS

WIDE MOUTH STRAW CAPS

The FiftyFifty Straw Lid is perfect for those who prefer to drink their beverages through a straw. It easily lifts open when your ready to enjoy your favorite beverage and securely close until the next. The inner silicone ring is made to securely fit the top of the bottle keeping your beverage at its optimal temperature and is removable for proper cleaning. The straw lid is also designed with an easy carry handle so you can comfortably hold it while walking around the park.

SPORT CAPS FOR STANDARD MOUTH 25oz BOTTLES

The FiftyFifty Sport Lid is designed for active individuals as you can easily pull up on the top and enjoy your favorite beverage then push it securely close until the next. The inner silicone ring ensures a snug fit to the top of the bottle keeping your beverages at their optimal temperature and is removable for proper cleaning. It has an easy to hold two-finger grip so that you can easily grab it while riding a bike or carry your bottle by your side while strolling around the park.

Bowl

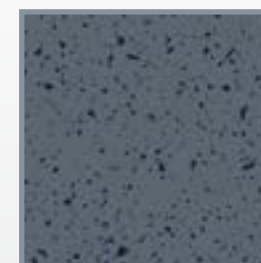

Pressure Fit Slide Lid

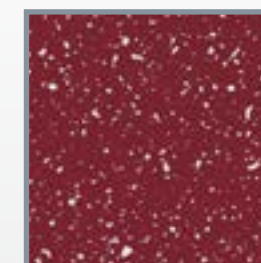

Vintage inspired, our retro series comes in three stylish designs in five colors. Made with food grade stainless steel, the vacuum insulated walls keep their contents toasty hot or frosty cold for hours. Our mugs come in both 12oz and 15oz sizes and feature an easy-grip handle as well as a splash proof pressure fit slide lid making them ideal for your hot beverages such as coffee or hot cocoa. The stainless steel insulated 24oz bowl with silicone lid is ideal for keeping your ice cream cold or your favorite chili or soups toasty hot. The superb insulation of our retro series prevents cold & hot from transferring to the outside wall making it easy to carry and handle.
