

Safety Warning

PLEASE READ THE ENTIRE SAFETY WARNING AND INSTRUCTIONS BEFORE USING YOUR FOCUS HOLSTER. FAILURE TO DO SO MAY RESULT IN SERIOUS INJURY OR DEATH. THE SAFE USE OF THIS PRODUCT IS THE SOLE RESPONSIBILITY OF THE USER.

WARNING - All firearms are potentially dangerous and should be handled with extreme caution. The firearm manufacturer's instructions and recommendations should be read and followed prior to the handling of your firearm. Training in an accredited firearms safety course is essential for proper handling of all firearms. If you are not familiar with the safe use of firearms or have not been instructed in the safe use of firearms, serious injury or death may result. Read and understand all owner's manuals and instructions prepared by the firearm's manufacturer for your handgun. Practice and training are mandatory prior to using the holster. Do not use a loaded firearm during practice and training. Practice using the holster with an unloaded firearm until you are thoroughly competent and proficient in its safe use. Any and all fit and retention adjustments should be done with an unloaded firearm. Focus holsters are designed to fit factory firearms only.

Focus holsters are designed and manufactured to fit one or more firearms. Focus holsters should be used only for the firearm models recommended by Focus. Carrying a firearm in a holster that does not properly fit the firearm may result in serious injury or death. Do not use this holster to carry any firearm that has been modified or that is malfunctioning in any way as serious injury or death may result. Do not modify this holster in any way. Always check the holster for any wear or damage prior to each use and DO NOT use the holster if any wear or damage interferes with the safety and/or function of the holster or the firearm. Do not carry a firearm equipped with a hammer extension or trigger shoe in this holster.

ALWAYS BE SURE TO CARRY THE RIGHT SIZE HOLSTER FOR YOUR FIREARM.

THIS IS A RETENTION HOLSTER, NOT A STORAGE DEVICE. IT IS NOT TO BE USED AS A LOCKING DEVICE OR AS A DEVICE DESIGNED TO KEEP YOUR FIREARM AWAY FROM CHILDREN OR OTHER UNAUTHORIZED USERS DURING STORAGE. WHEN NOT IN USE, ALWAYS KEEP YOUR FIREARM SAFELY SECURED IN ACCORDANCE WITH APPLICABLE LAW.

It is the user's responsibility to make sure that the firearm properly fits the holster at all times. In the event that the holster no longer properly fits the firearm, does not provide the required retention or is defective in any manner, immediately discontinue using the holster. Do not carry a firearm in the holster with the hammer cocked. Always engage the safety. Do not holster or remove your firearm from the holster with your finger on the firearm trigger or hammer. Be very careful and use caution when holstering any firearm with an external hammer to avoid unintentional cocking of the hammer. Immediately after holstering, always check to make sure that the hammer is not in a cocked position. Do not holster or draw the firearm with your finger on the trigger or in the trigger guard. Firearms should be carried with hammer or firing pin on an empty chamber. Always place hand on the handgun and holster when running or performing other vigorous activity. Do not expose holster to extreme heat conditions. Always protect exposed magazine release buttons from accidental depression. All holsters can cause wear to the finish of a firearm, therefore, we cannot be responsible for damage to the firearm finish. Refer to this Safety Warning and Instructions regularly or as needed to ensure proper use of your Focus holster.
