FISHING IS MORE THAN JUST A HOBBY OR A SPORT. FOR THOSE WHO KNOW THIS TO BE TRUE, THERE'S FRABILL. DESIGNED TO OUTFIT AND EQUIP DETERMINED ANGLERS WITH COMPREHENSIVE BAIT MANAGEMENT SYSTEMS AND PREMIUM LANDING NETS, IT'S THE BRAND TO DEPEND ON WHEN PUSHING THE LIMITS.

AN ITEM MARKED AS "TESTED" MEETS THE FOLLOWING REQUIREMENTS:

- It has a functional application for saltwater and freshwater fishing
- It has material elements that are conducive to use in saltwater

**FRABILL®**

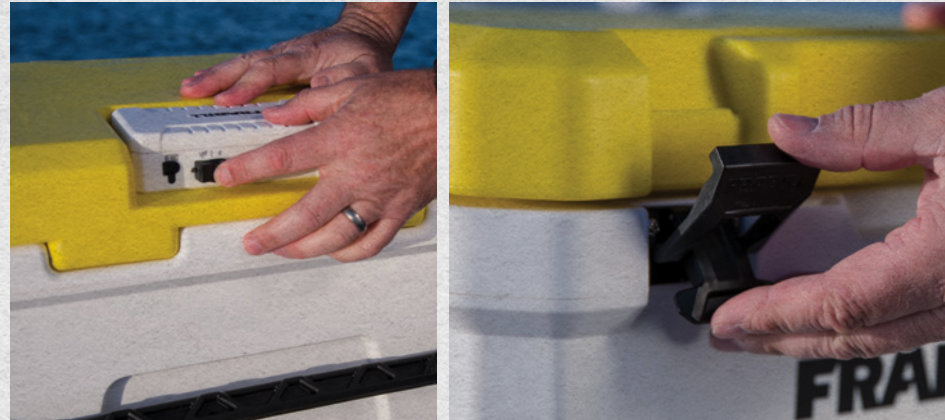

AERATION AND BAIT CARE

It all begins with better bait. Frabill offers an expanded line of bait management systems to ensure your presentation is active and attractive to the species you're pursuing. Complete with containers, aerators, hand tools and accessories, you'll find everything you need to pull in the bruisers.

MAGNUM BAIT STATION®

The new Frabill Magnum Bait Station® provides so much more than transportation. With an injection-molded base, commercial grade foam insulation and an integrated aerator, it creates the perfect internal environment to keep bait healthy – regardless of the weather.

FRBBA213

MAGNUM BAIT STATION 13

19.5" x 11.5" x 13.8"

FRBBA219

MAGNUM BAIT STATION 19

19.5" x 17.75" x 13.8"

- Available in 13- or 19-quart capacity
- Heavy-duty, injection-molded body
- Ruler molded into lid
- Durable composite latches won't rust
- Two-speed aerator with water-resistant housing
- 1 inch of commercial grade insulation
- Packed 1/carton

Includes: deluxe aerator with 12V power adapter*, padded shoulder strap and lift-out net liner.

*Also runs on two D batteries (not included)

BAIT BUCKETS

The familiar Frabill bait bucket is more functional than ever before. Each model now offers a more durable construction, as well as a series of innovative lid designs with multiple feature options – because we're serious about maintaining the health of your bait so you get the big bites.

4822

INSULATED BAIT BUCKET

- 1.3-gallon capacity
- Insulated liner
- Upgraded lid with aerator clip-on bracket and hose hole in lid
- Packed 4/carton

4800

DRAINER BAIT BUCKET

- 2-gallon capacity
- Pull-out interior minnow trap helps keep hands dry
- Lid features a built-in compartment to store worms or other bait separate from minnows
- Packed 4/carton

4820

BAIT BUCKET

- 2.2-gallon capacity
- Upgraded lid with aerator clip-on bracket and hose hole in lid
- Packed 4/carton

4823

DUAL BAIT BUCKET

- 1.3-gallon capacity
- Insulated liner
- Lid features a built-in compartment to store worms or other bait separate from minnows
- Includes clip-on 14331 aerator
- Packed 4/carton

4825

AERATED BAIT BUCKET

- 1.3-gallon capacity
- Insulated liner
- Lid compartment houses aerator to help maintain lively bait
- Packed 4/carton

WEIGH BAGS

Frabill weighs in on fish care with a triple-threat tournament tote. This innovative weigh bag takes a soft-sided livewell duffel, inserts a durable mesh transfer bag and adds in a portable pocket-sized aerator to make sure your prize catch arrives at the staging tub alive and kick'n.

446513

MESH, WEIGH BAG AND AERATOR

11.5" x 4" x 13.75"

- Woven mesh bag easily slips in and out of weigh bag – ideal for tournament anglers
- Reinforced structure allows the water-filled weigh bag to rest on the ground without support
- Built-in pockets for aerators or additional gear
- Padded carry handle
- 14203 aerator runs for 30+ hours on two D batteries to keep fish as healthy as possible leading up to weigh-in
- Packed 1/carton

446510

MESH BAG

21" x 9.25" x 14"

- Woven mesh for increased durability
- Teardrop shape provides better fit for fish in bag bottom
- Hook and loop top closure
- Packed 2/carton

446511

WEIGH BAG

22" x 9" x 11.5"

- Durable bag material designed for tournament anglers
- Reinforced structure allows the water-filled bag to rest on the ground without support
- Built-in pockets for aerators or other gear
- Padded carry handle
- Packed 2/carton

446512

MESH AND WEIGH BAG

11.5" x 4" x 13.75"

- Woven mesh bag easily slips in and out of weigh bag – ideal for tournament anglers
- Reinforced structure allows the water-filled weigh bag to rest on the ground without support
- Built-in pockets for aerators or additional gear
- Padded carry handle
- Packed 5/carton

AQUA-LIFE® AERATION SYSTEMS

AQUA LIFE

Frabill's Aqua-Life® aerator systems have been specifically designed and tested to keep baitfish healthy and active. These portable pumps can convert any size cooler or livewell into an oxygen-rich aquarium.

14221

AERATOR SINGLE OUTPUT 110V

- Aerates up to 15 gallons
- Produces close to 100% saturation of dissolved oxygen
- Rubber non-marking feet
- UL Approved
- 6-foot power cord
- Includes: 30-inch flexible air hose, 2-inch air stone, anti-siphon valve
- Packed 4/carton

14211

AERATOR DUAL OUTPUT 110V <50 GAL

- Dual pumps aerate 1 or 2 livewells (up to 50 gallons)
- Produces close to 100% saturation of dissolved oxygen
- Rubber non-marking feet
- UL Approved
- 6-foot power cord
- Includes: 5-foot flexible air hose, two 2-inch air stones, T-connector, two anti-siphon valves
- Packed 4/carton

14212

AERATOR DUAL OUTPUT 110V <100 GAL

- Dual pumps aerate 1 or 2 livewells (up to 100 gallons)
- Produces close to 100% saturation of dissolved oxygen
- Rubber non-marking feet
- UL Approved
- 6-foot power cord
- Includes: 10-foot flexible air hose, two 3-inch diameter weighted air stones, T-connector, two anti-siphon valves
- Packed 4/carton

14213

AERATOR DUAL OUTPUT 12V DC <50 GAL

- Dual pumps aerate 1 or 2 livewells (up to 50 gallons)
- Steel clip for flexible mounting
- Produces almost 100% saturation of dissolved oxygen
- Rubber non-marking feet
- 6-foot power cord with copper battery clips
- Includes: 10-foot flexible air hose, two 2-inch air stones, T-connector, two anti-siphon valves, mounting brackets and hardware
- Packed 4/carton

1436

FLOATING PUMP SYSTEM

- 12V DC 360gph low current pump
- Aerates up to 30 gallons
- Aeration system mixes surface air and water to produce a spray of micro bubbles
- Spray direction is easily adjusted
- Produces close to 100% saturation of dissolved oxygen
- Replaceable filter removes livewell debris
- 6-foot power cord with copper battery clips and on/off switch
- Packed 4/carton

1438

SPRAY BAR PUMP SYSTEM

- 12V DC 500gph low current pump
- Aerates up to 30 gallons
- Use to wash surfaces or pump water in/out of boat or bait tanks
- Suction cup mounts attach to any non-porous surface
- Mount spray bar permanently or with suction cups
- Produces close to 100% saturation of dissolved oxygen
- Spray tube can be cut to fit bait container
- Standard 0.5" PVC pipe to extend spray tube
- Replaceable filter removes livewell debris
- Includes: pump, suction cups, spray bar, mounting hardware, 5.5 feet flexible tubing
- 6-foot power cord with copper battery clips
- Packed 4/carton

1439

TOWER PUMP SYSTEM

- 12V DC 360gph low current pump
- Aerates up to 30 gallons
- Suction cup mounts attach to any non-porous surface
- Spray pattern adjusts from tight to wide spray
- Produces close to 100% saturation of dissolved oxygen
- Spray tube can be cut to fit bait container
- Standard 0.5" PVC pipe to extend spray tube
- Replaceable filter removes livewell debris
- 6-foot power cord with copper battery clips
- Packed 4/carton

AERATION SYSTEMS

AERATION BAIT CONTAINERS

14331

PORTABLE AERATOR

- Effectively aerates up to 10 gallons
- Includes aerator hose and stone
- Clips to any bucket
- Runs on two D batteries
- Packed 4/carton

14351

PREMIUM WHISPER QUIET PORTABLE AERATOR

- Whisper quiet operation
- Effectively aerates up to 15 gallons
- Includes aerator hose and stone
- Water-resistant gasket and switch
- Clips to any bucket
- Power options: two D batteries, 12V power adapter or 120V adapter port (120V adapter not included)
- Packed 4/carton

14042

BAIT BOX WITH AERATOR

- Aerated live bait cooler
- Durable insulation
- Keeps bait cool and aerated
- Lift-out net liner
- Lid latch prevents spilling of water/bait during travel
- Includes 14331 aerator
- 8-quart capacity
- Packed 1/carton

14261

SHRIMP SHAK

- Cling-on bait screen allows shrimp to climb up and cling to interior walls — increasing total bait capacity
- Removable insulated liner
- Accessory lid with molded slots holds bait net, aerator, etc.
- Large, self-standing bait door for easy access
- Includes 14331 aerator
- 4.25-gallon capacity
- Packed 2/carton

14341

WHISPER QUIET PORTABLE AERATOR

- Whisper quiet operation
- Effectively aerates up to 15 gallons
- Includes aerator hose and stone
- Water-resistant gasket and switch
- Clips to any bucket
- Runs on two D batteries
- Packed 4/carton

14371

COOLER AERATION SYSTEM

- Whisper quiet operation
- Effectively aerates up to 15 gallons
- Kit includes everything needed to convert a cooler into a live bait tank (cooler not included)
- Gasketed housing for a water-tight design
- Includes: aerator module, air hose, micro-bubble diffuser, fittings, brackets
- Power options: two D batteries, 12V adapter or 110V adapter port (110V adapter not included)
- Packed 4/carton

14071

MAGNUM BUCKET 4.25 GAL WITH AERATOR

- Removable insulated liner
- Accessory lid with molded slots holds bait net, aerator, etc.
- Includes 14331 aerator
- 4.25-gallon capacity
- Packed 2/carton

14691

BAIT STATION 6 GAL AERATION SYSTEM

- Whisper quiet operation
- Micro-bubble diffuser
- Water-tight design
- Removable insulated liner
- Effectively aerates up to 6 gallons
- Removable aerator module
- Clamp-on lid design
- Hook for bait net
- 6-gallon bucket with 10-quart liner
- Power options: two D batteries, 12V power adapter or by 120V adapter port (120V adapter not included)
- Packed 1/carton

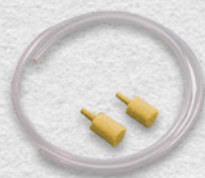

AERATION ACCESSORIES

14203

PORTABLE AERATOR

- Includes aerator hose, weight and stone
- Clips to any bucket
- Aerates up to 6 gallons
- Powered by two D batteries
- Runs for 30+ hours
- Packed 4/carton

14281

AERATOR ACCESSORY PACK

- Includes aerator hose and two stones
- Packed 6/carton

14291

PREMIUM AERATOR ACCESSORY KIT

- Micro-bubble diffuser and hose assembly
- Packed 6/carton

1430

120 VOLT ADAPTOR

- For use with 1435, 1437, 1409, 1469, 14351, 14371 and 14691 adaptors
- Packed 6/carton

99091

AERATION AND LID COMBO PACK

- Lid fits most 4.25, 5, and 6-gallon buckets
- Large bait door for easy bait access
- Includes aerator with hose and stone
- Molded slots for bait net, tools, etc.
- Aerates up to 6 gallons
- Powered by two D batteries
- Includes minnow dip net
- Packed 4/carton

FLOW TROLL® BAIT CONTAINERS

4501

FLOW TROLL®

- Self-closing lid with locking door
- Hydrodynamic shape
- 6-quart capacity
- Weighted
- Packed 6/carton

451200

MAGNUM FLOW TROLL®

- Larger 10-quart size
- Carry handle
- Self-closing lid with locking door
- Hydrodynamic shape
- Weighted
- Packed 4/carton

451205

MAGNUM SHRIMP FLOW TROLL®

- Larger 10-quart size
- Internal shrimp screen
- Carry handle
- Self-closing lid with locking door
- Hydrodynamic shape
- Weighted
- Packed 4/carton

LIVE BAIT CONTAINERS

4602

FISH-N-FUN

- Robust molded design
- Removable lid with snap-open access door
- 4.5-quart capacity
- Packed 12/carton

4650

LEECH TOTE

- Lid locks securely
- Twist-off bait strainer
- 1-quart capacity
- Packed 6/carton

4651

LEECH BAG

- Keeps leeches separate from other bait in your bucket or livewell
- Secure hook and loop top closure
- Foam insert for buoyancy and floating storage
- Easy-pull thumb tabs for quick access
- Packed 6/carton

1062

2-QUART WADE BUCKET

- Snap-on shoulder strap
- Galvanized steel
- Lid snaps in/out for one-handed access
- Packed 6/carton

1108

FOAM BUCKET

- Insulated foam bait container
- 8-quart capacity
- Packed 6/carton

1266

8-QUART WADE BUCKET

- The Frabill® pail that started it all; still a fishing favorite
- Tough galvanized steel
- Interior buoyancy collar floats door up
- Large, easy-to-open access lid
- Two-piece bucket with lift-out bait strainer
- Packed 4/carton

4508

UNIVERSAL BAIT CAN

- Dual compartments designed for use with multiple bait types
- Fill bottom with ice to keep bait cool
- Foam insulated
- Holds 2-3 dozen crawlers
- Packed 4/carton

1600

SIT-N-FISH

- Comfortable seat snaps on tightly
- Beverage holders on inner bucket lid
- 6-gallon bucket with 10-quart insulated liner
- 1600 — Packed 2/carton
- 160024 — 24/skid

4744 / 4745

WORM AND LEECH LODGE

- Insulated foam insert
- Easy open twist-lock top
- 4744 — Packed 6/carton
- 4745 — Packed 4/carton

WORM CARE

1066

1067

1032

1066 / 1067

FAT & SASSY WORM BEDDING

- Ready to use out of the package — no mixing!
- No molding or souring
- 100% biodegradable
- Built-in food source
- 1 pound supports 3 dozen crawlers or 100 small worms
- Also works well with blood, clam and sand worms
- 1066 — 2.5 pounds, packed 12/carton
- 1067 — 5 pounds, packed 6/carton

1032

FAT & SASSY WORM FOOD

- Formulated with minerals and nutrients
- Tested and approved by live bait producers
- Handy 8-ounce resealable cup
- Packed 6/carton

1020

HABITAT® II

- Holds 8 dozen crawlers
- Includes Super-Gro® bedding
- Packed 4/carton

Habitat® worm storage systems are ideal for long-term storage. Insulated foam containers maintain a cool temperature; plastic aeration vents allow fresh airflow.

1025

LIL' FISHERMAN

- Dual flip-top door
- Foam construction
- Includes Super-Gro® bedding
- Holds 1-2 dozen crawlers
- Packed 6/carton

4724

BELT BAIT STORAGE BOX

- Conveniently clips to belt or waistband
- Holds up to 20 ounces of bait
- 3-compartment, top-access tray for storing terminal tackle
- Packed 3/carton

1035 / 1016

CRAWLER CABIN®

- Ideal for day trips
- Fiberboard construction
- Soak in non-chlorinated water prior to use to keep cabin cool
- Double-locking single door access
- 1035 — Holds 4-5 dozen crawlers, packed 2-carton
- 1016 — Holds 1-2 dozen crawlers, packed 4/carton

1102 / 1104

SUPER-GRO® WORM BEDDING

- Built-in food source
- Odorless and clean to use
- Mix with non-chlorinated water
- 1102 — 2-pound bag, packed 6/carton
- 1104 — 4-pound bag, packed 3/carton

1020

1025

1050

HABITAT® V

- Holds 10-12 dozen crawlers
- Includes Super-Gro® bedding
- Packed 2/carton

1050

HABITAT® V STORAGE KIT

- Holds 10-12 dozen crawlers
- Includes Super-Gro® bedding, 1050 Habitat® V, 1025 Lil' Fisherman and 1032 Fat & Sassy Worm Food
- Packed 2/carton

1280

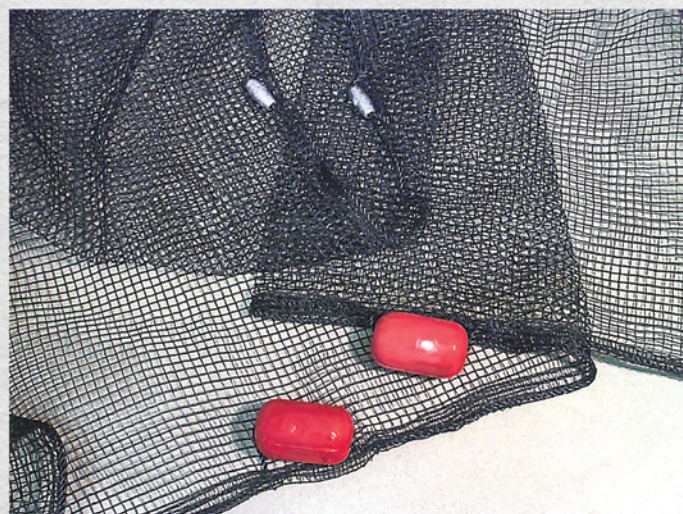

1285

1280 / 1285

CRICKET CAGES

- Galvanized metal/polystyrene construction
- Built-in carrying handle
- 1280 — Wide-open top, packed 6/carton
- 1285 — Tube-shaped, packed 6/carton

SEINE NETS / UMBRELLA NET

SEINE NET FEATURES

- Special poly netting doesn't absorb water and dries quickly
- Black color
- Heavy-duty floats
- Does not include net poles
- Quarter-inch mesh size

MODEL	SIZE AREA	PACKAGED SIZE	PACKED CARTON
2150	4' x 4'	10" x 6.5" x 3.3"	4
2151	4' x 6'	10" x 7" x 3.3"	4
2152	4' x 8'	10" x 7" x 3.5"	4
2153	4' x 10'	10" x 9" x 4.3"	4

2155	4' x 15'	10" x 10" x 4.8"	4
2156	4' x 20'	13" x 10" x 5"	4
2157	4' x 25'	13" x 10" x 5.5"	4

2145

UMBRELLA NET

- Large 40" x 40" size
- Ideal for any elevated position
- Black poly netting won't absorb water
- Quarter-inch mesh size
- Packed 6/Cartron

MINNOW / CRAYFISH TRAPS

RECTANGULAR TRAPS

- Heavy-duty, vinyl-dipped steel mesh construction
- Black color offers camouflage
- Easy-access door

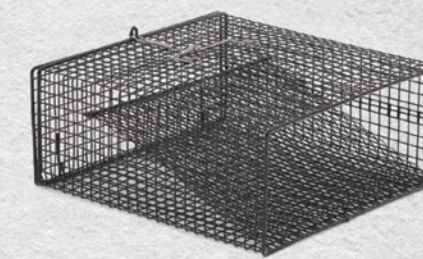

MODEL	DESCRIPTION	SIZE	PACKED CARTON
1264	Rect. Black Pinfish Trap	18.25" x 12.5" x 8.25"	4
1267	Rect. Black Crayfish Trap	18.5" x 8.5" x 8.25"	4
1268	Rect. Black Minnow Trap	18.5" x 8.5" x 8.25"	4

TORPEDO TRAPS

- Choice of galvanized or heavy-duty, vinyl-dipped steel mesh
- 2 or 3-piece design for easy baiting and catch removal
- Includes spring clip for closure

MODEL	DESCRIPTION	SIZE	PACKED CARTON
1260	Galvanized Crayfish Trap	9.75" x 9.75" x 9"	6
1271	Dlx. Black Minnow Trap	10" x 9.75" x 9"	6
1272	Dlx. Black Crayfish Trap	10" x 9.75" x 9"	6
1273	Dlx. Black Crayfish Trap	18" x 10" x 9"	4
1279	Galvanized Minnow Trap	10" x 9.75" x 9"	6

*Check local regulations for restrictions

FLAT-BOTTOM SQUARE TRAP

- Low-profile square shape covers large trapping area
- Hinged back door makes for easy baiting and catch removal
- Adjustable entry size*
- Heavy-duty, vinyl-dipped steel mesh construction
- Black color offers camouflage

MODEL	DESCRIPTION	SIZE	PACKED CARTON
1262	Flat Bottom Blk. Crayfish	12.25" x 12" x 6"	4

MEASURING BOARDS AND BAIT QUARTERS

FLOATING BAIT QUARTERS

- Floating design for easy access on a boat or at the pier
- 0.375" soft polyester mesh is fish friendly
- Non-corrosive materials; ideal for fresh or saltwater
- Hook-and-loop latch lid
- Convenient storage

MODEL	SALTWATER SAFE	DIMENSIONS	APPRX. CAPACITY	PACKED CARTON
1290	Yes	18" x 18"	20 Gallons	1
1291	Yes	24" x 30"	65 Gallons	1

1553

BENCHMARK® MEASURING BOARD

- Measures fish from 8 to 32 inches
- 100% aluminum
- Gold anodized for greater protection
- Black markings for easy viewing and accuracy
- Markings every quarter inch
- Large numbers for ease of reading
- Packed 6/carton

1936

EXPANDABLE BUMP BOARD

- Measures fish from 8 to 36 inches
- Foam insert aids in flotation
- Mounting holes for securing to boat deck
- Manufactured from 100% recycled materials
- Packed 3/carton

1290

1291

ACCESSORIES

1642

STRATO SEAT

- Converts any 5 to 6-gallon bucket into a comfortable seat
- Shape allows angler to remain seated while accessing bait
- Saltwater safe
- Packed 6/carton

1655

PAIL PAK

- Adds more storage capacity to your fishing bucket
- Straps onto any 5 to 6-gallon bucket
- Saltwater safe
- Packed 6/carton

1401

ACCESSORY LID

- Easily snaps onto any 4.25, 5 or 6-gallon bucket
- Molded slots for a bait net, aerator, etc.
- Saltwater safe
- Packed 6/carton

1643

SIT-N-STOW®

- Converts any 5 to 6-gallon bucket into a comfortable seat
- Adds storage capacity
- Saltwater safe
- Packed 6/carton

1440

EZ CHECK'R

- Measures crappie up to 12 inches
- Rinses clean with water
- Easy to read and use
- Packed 6/carton

1300

NET/GAFF HOLDER

- Fits any size net or gaff plus tools
- Saltwater safe
- Packed 6/carton

2300 / 2301

FROG GIG

- Light, responsive telescoping handles extend and collapse for easy transport and storage
- Sharp 2.5" wide, five-tine spearheads
- 2300 — Extends from 4 to 8 feet, packed 3/carton
- 2301 — Extends from 6 to 12 feet, packed 3/carton

9865

LURE RETRIEVER

- Strong, lightweight tubular aluminum handle
- Telescopes from 57 inches to 15 feet
- CAM-LOK™ handle system
- Packed 1/carton

FRABILL®

NETS AND ACCESSORIES

Proud to be the nation's leader in high-performance fishing nets, Frabill offers over 150 specialized net designs and styles. With numerous handles, hoops and netting options, there's something for every angler to bring in every species. Welcome to the land of opportunity.

CRANKBAIT NETS

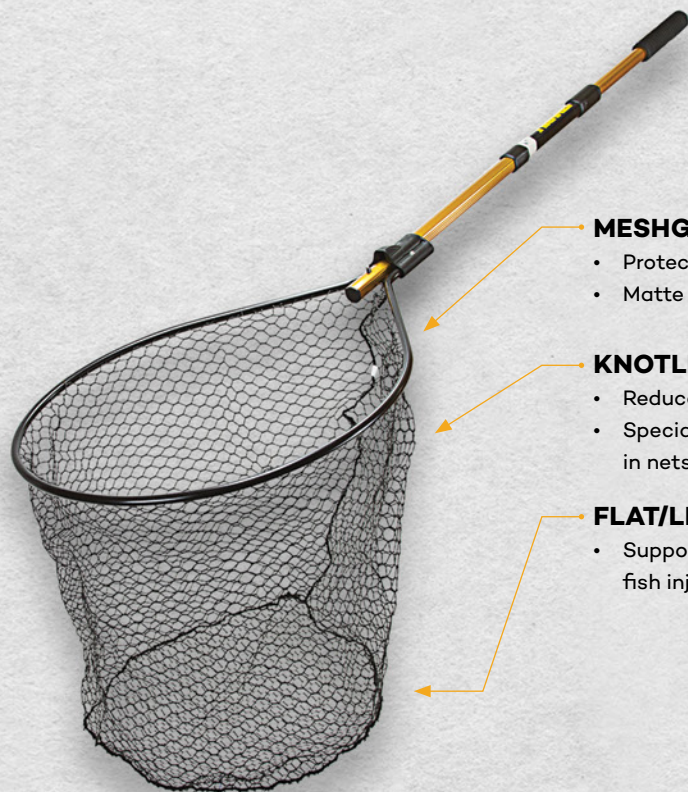

FISH AND FISHERMAN FRIENDLY

Frabill's conservation series of crankbait nets features innovative designs that protect fish from injuries and fishermen from frustration. The proprietary knotless mesh has been double-dipped in a durable vinyl coating to keep multi-hook lures from tangling, while the flat-bottom design protects fish gills from damage. Bottom line: you won't find a better crankbait net, period.

AVAILABLE IN

CONSERVATION SERIES NETS	9510	9512	9517	9521	9522
TRU-TRAX NETS	3813				
SPORTSMAN NETS	3443	3444	3446		

MESHGUARD HOOP

- Protects netting and extends life of net
- Matte black finish for "net shy" fish

KNOTLESS CRANKBAIT NETTING

- Reduces damage to fins, scales and slime coat
- Special coating prevents hooks from snagging in nets

FLAT/LINEAR BOTTOM DESIGN

- Supports entire length and weight to reduce fish injuries

TRADITIONAL NET DESIGN

Thick, knotted net openings cause hooks to catch and tangle

CRANKBAIT NET DESIGN

Proprietary coated hexagon net design resists hook snags and snares

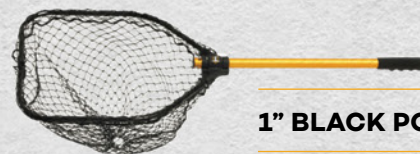

POWER STOW® NETS

The ideal blend of form and function, the Frabill Power Stow® net series offers strength and toughness to subdue big, surly fish. When not in battle, these nets conveniently stow, ready for the next triumph.

- Heavy-duty aluminum handle is strong and corrosion-free
- Glass-filled nylon yoke for superior durability
- Knotless mesh netting reduces fish injuries
- Built-in extension handles for added reach (select models)
- Species-specific configurations match fish size and weight to make net selection easy

1" BLACK POLY NETTING POWER STOW® NET

- Slide handle
- Ideal for crappie/panfish and kayak use

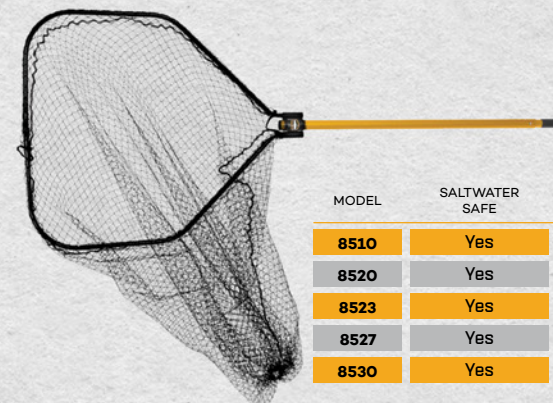

MODEL	SALTWATER SAFE	HOOP SIZE	HOOP SHAPE	HANDLE	NETTING	MESH	DEPTH	STOWED	REPLACEMENT NET	SIZE	PACKED CARTON

CONSERVATION SERIES NETS

Protecting our sport starts with protecting our targets. Conservation Series nets are designed with safe catch and release in mind. All nets feature 100% knotless mesh netting – eliminating injuries commonly caused by sharp knots. Flat, linear bottoms reduce fish rolling and support the weight of the entire fish; tangle-free coating prevents hooks from entangling in the net; meshguard hoops resist wear and greatly extend the life of the net. Conservation Series nets also come in species-specific designs to simplify the net selection process.

CHOOSE FROM TWO STRONG, LIGHTWEIGHT VHANDLE DESIGNS:

CAM-LOK™ (telescoping) handle with extreme extrusion reinforcement

Ergonomically designed, reinforced handle

POW'R LOK™ YOKE SYSTEM

- Patented design allows handle to slide through for convenient storage
- Corrosion-proof yoke with stainless steel hardware
- Bolt-through, heavy-duty, stainless steel hardware for big game fish in both fresh and saltwater

Meshguard Hoop

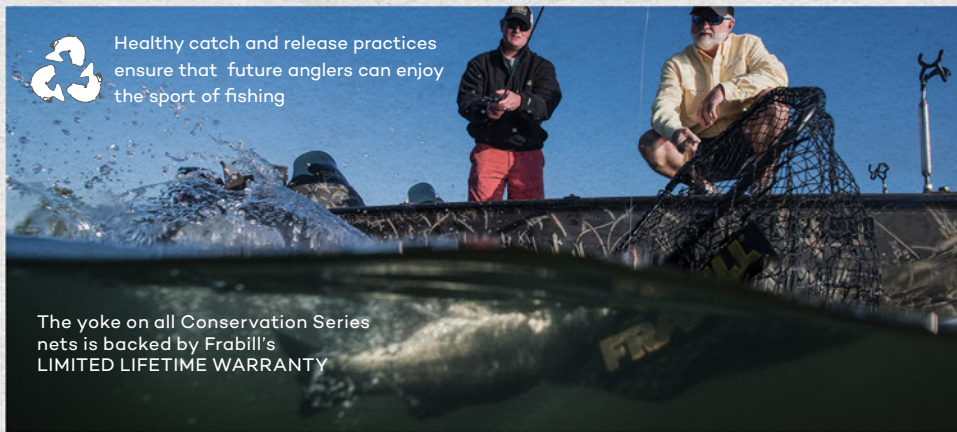

- Protects netting and extends life of net
- Matte black finish for "net shy" fish

Knotless Crankbait Netting

- Reduces damage to fins, scales and slime coat
- Special coating prevents hooks from snagging in nets

Flat/Linear Bottom Design

- Supports entire length and weight to reduce injuries to the fish

1" TANGLE-FREE KNOTLESS MESH CONSERVATION NET

MODEL	HOOP SIZE	HANDLE	NETTING	MESH	DEPTH	REPLACEMENT NET	SIZE	PACKED CARTON
9510	20" x 23"	24/48T	TFMM	1"	16"	N/A	44.5" x 20" x 2"	3

- 54" deep, linear bottom net
- Saltwater safe
- Ergonomically designed, reinforced handle (1.25" diameter)
- Lightweight, one-man musky net
- Teardrop hoop shape

POWER CATCH® NETS

Power Catch® landing nets are the strongest landing nets manufactured in the United States, and the only landing nets backed by a Limited Lifetime Warranty on the patented Pow 'R Lok™ Yoke System and exclusive "Brute Hoop."

Brute Hoop unique hexagonal profile reduces drag in the water. Internal "Dual I-Beam" extrusion spans the entire length of the hoop, adding extra backbone for unmatched strength.

Power Catch nets are available with either tangle-free weighted nylon or tangle-free knotless netting. The special coating on Frabill tangle-free nets prevents hook snags, and our knotless netting helps eliminate fish injuries.

Ergonomically-designed shape eliminates torque and roll-over experienced with traditional round handles. Provides greater comfort, increased leverage and a more secure grip.

PRO-FORMANCE NETS

Pro-Formance landing nets are available with a wide variety of net options from heavy-duty poly and tangle-free weighted nylon to knotless and tangle-free knotless. The special coating on Frabill's tangle-free nets prevents hook snags, and our knotless netting helps eliminate fish injuries.

Feature to feature, Pro-Formance landing nets may well be the best value landing nets in the industry.

Features Include:

- 1 1/4" tubular anodized aluminum handle
- Strong 5/8" anodized aluminum hoops
- Stainless steel hardware
- Saltwater safe
- Variety of sizes, shapes and materials to fit every angler's needs

TEARDROP HOOP (TD)

SCOOPED HOOP (SC)

RUBBER NETTING (RBR)

8450 BIG KAHUNA

FLAT BOTTOM

- Strong, oversized nets for landing the biggest fish
- American made with a Limited Lifetime Warranty
- Flat bottom design to support large fish

ICE SHELTERS AND HUB

Frabill's 2018-2019 lineup of shelters and hubs comes loaded with advanced new features that make it easier than ever to transport, set up and reposition during your ice fishing expeditions. Available in various entry, seating and insulation options, there is a fit for every angler.

FLIP-OVER SHELTERS

SIDESTEP™ ENTRY

Get improved access and more vertical space while avoiding serious safety hazards and equipment damage. Frabill's patented SideStep™ entry continues to redefine the ice shelter experience.

- Simplifies in-and-out access
- Removes need to step over gear and fishing holes
- Vertical front wall provides more room for hook sets
- Reduces risk of heater damage to front wall

STREAMLINED CONSTRUCTION

Frabill's alloy frames are 30% stronger and 30% lighter than traditional frames, resulting in easier transport, setup and storage.

Enhanced Design Elements

- Lightweight and durable materials
- Improved storage and organization
- Optimized fishable space
- Patented Modular Seating System
- Strategically-placed windows and openings
- Contemporary styling

STANDARD

PREDATOR

28.25 FISHABLE
SQUARE FEET

Frabill's premier ice shelter series combines durability and mobility with complete fishing comfort. With two SideStep entry doors, modular boat seats and full quilted insulation, Predator shelters accommodate two anglers with generous headroom for drilling holes and setting hooks. A heavy-duty aluminum frame and rugged roto-molded base provide superior wind and weather protection.

ITEM NO.	MODEL NO.	DOOR	ANGLER CAPACITY	SEATS	TENT	INSULATION	WEIGHT	FOLDED	SETUP	FISHABLE SQ. FT.

Equipped with Frabill's two-door, SideStep entry, the Citadel Series provides easy in-and-out access with generous fishable space for two to three anglers. Built on a sturdy thermo-formed base and supported with Frabill's new lightweight alloy frame, these well-appointed features come without excess weight.

BRO SIDESTEP™

20 FISHABLE
SQUARE FEET

Legendary angler Brian “Bro” Brosdahl has teamed up with Frabill once again to bring you another well-appointed shelter. This latest edition is equipped with 20 square feet of fully insulated jigging space and our signature SideStep entry for easy in-and-out access. As with other Bro shelters, this model is dressed in Frabill’s distinct arctic camo exterior – making it as recognizable as the man who inspired it.

HUB SHELTERS

HQ SERIES

LIGHT WEIGHT. IS NO LIGHTWEIGHT.

With its durable construction and exceptional portability, the Frabill HQ Hub Series is ideally suited for quick transport and simple setup.

BRO SERIES HUB

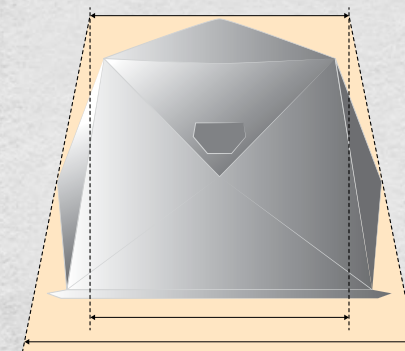

BRO SERIES HUB

WIDER BASE = MORE FISHABLE SPACE

Thank you geometry. Frabill's wide-base design featured in the Bro Series hub provides 30% more fishable space compared to traditional cube-shaped hubs with the same roof dimensions. This means you and your fishing buddies will have more room to drop your lines, set your hooks and haul in your catch.

TRADITIONAL HUB

30% BRO SERIES HUB PROVIDES
MORE FISHABLE SPACE

NEW FORTRESS

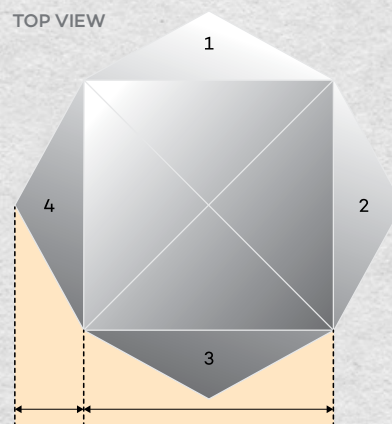

Frabill's hub shelters come packed-up in a carry backpack for easy transport to your fishing location.

KICK-OUT CORNERS. KICK OUT CLUTTER.

Frabill's latest space-saving design allows you to conveniently store your gear in generous corner compartments to provide you with 55% more fishable space. Kick-Out Hub Technology utilizes hub extensions on each side of the shelter to keep your gear organized and out of the way. These hubs also offer the added benefit of simplified setup and takedown.

FORTRESS

69 FISHABLE
SQUARE FEET

The Fortress pull tabs allow a quick, easy set-up.

It may just be the most highly-engineered ice hub ever created. Featuring Frabill's patented Kick-Out Hub Technology, the Fortress extends fishable space by giving anglers places to store their gear away from the fishing holes. This creates a cleaner, more comfortable environment so you can catch more fish. The broader base also provides improved stability for high-wind conditions.

FRABILL®

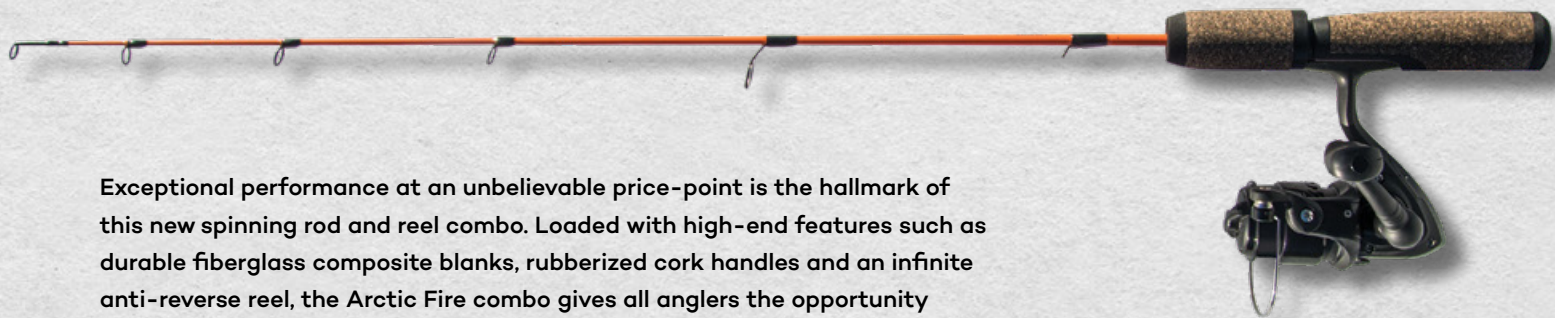

RODS AND REELS

Success starts with having the right tools. Frabill's rod and reel combos are constructed from the highest quality graphite and composite blanks and combined with an ultra-responsive straight line or spinning reel. Each combo provides a unique feel to fit an angler's personal style. Whether you're dead sticking or finesse jigging, you'll find the action you need to achieve exceptional results.

NEW

ARCTIC FIRE COMBOS

Exceptional performance at an unbelievable price-point is the hallmark of this new spinning rod and reel combo. Loaded with high-end features such as durable fiberglass composite blanks, rubberized cork handles and an infinite anti-reverse reel, the Arctic Fire combo gives all anglers the opportunity to heat up their pursuit.

Designed with legendary ice angler Brian “Bro” Brosdahl, the Frabill Bro Series of rod and reel combos provide ultimate control and feel no matter what species you’re pursuing. With 20 different options, you have a full range of rod lengths and actions for pulling in everything from light-biting panfish to record-setting walleye and pike. Pair these with either Frabill’s ultra-smooth spinning reel or highly responsive 371 straight-line reel, and the lake is yours to conquer.

ROD FEATURES

- Technique/species specific actions
- Titanium main guides (except noodle action)
- Solid graphite blanks (except QT, N, DS actions)
- Solid cork with graphite reel seat
- Titanium spring bobber on MCL and UL actions
- Sensitive blank-through handle construction
- Deluxe hook keeper
- Bro Band keeps bail open with lure at desired depth (available on select combos)

690701 BRO SERIES STRAIGHT LINE 371 REEL

- Spool guarded to allow palm grip
- Lightweight composite construction for strength and durability that won't feel cold in frigid temperatures
- 3:7:1 reel ratio with super-smooth drag and instant anti-reverse
- 22" line retrieval per revolution
- Line feeds off spool to eliminate line coiling and tackle spin
- 5 + 1 ball-bearing reel with ultra-fine free spooling
- Long and short stems accommodate heavy gloves or palming the reel
- Free spool to easily drop smallest jigs

690601

BRO SERIES SPINNING REEL

- 5 + 1 ball-bearing reel
- Includes shallow and deep arbor spool
- Deluxe quick-fold handle
- Machined aluminum spool
- Infinite anti-reverse

ICE HUNTER COMBOS

Developed in partnership with our pro-staff anglers, Frabill's complete line of rod and reel combos are specifically designed to target individual species. Each technique-focused combo has been created, tested and proven by the best in the sport.

COMBO	ACTION	LENGTH	APPLICATION	PRO
678001	UL	26"	PANFISH	PAT KALMERTON
678002	QT	30"	PANFISH	STEVE PENNAZ
678004	L	30"	DEEP CRAPPIE	
678003	L	26"	PERCH/FINESSE WALLEYE	ERIC BRANDRIET
678005	ML	27"	JUMBO PERCH/WALLEYE	
678006	ML	30"	WHITEFISH	DALE STROSCHIN
678007	M	27"	DEEP WATER WALLEYE	
678008	MH	32"	TROPHY WALLEYE/PIKE	JEFF "GUSSY" GUSTAFSON
678009	H	38"	TROUT/PIKE	

ROD FEATURES

- Solid graphite blank for superior sensitivity (30" quick tip is fiberglass)
- Stainless steel ice guides to prevent freeze up
- Tapered cork handles
- Convenient hook keeper

REEL FEATURES

- 3 + 1 ball-bearing reel
- Infinite anti-reverse
- Machined aluminum spool
- Deluxe quick-fold handle

SPINNING COMBOS

FIN-S PRO COMBOS

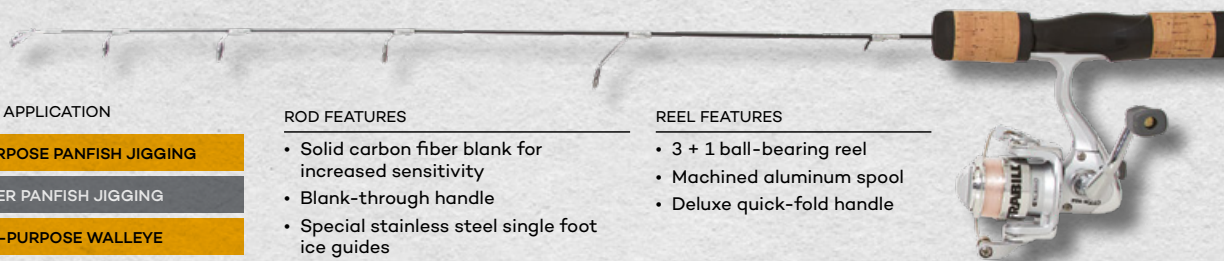

COMBO	ACTION	LENGTH	APPLICATION
6970	UL	24"	MULTI-PURPOSE PANFISH JIGGING
6971	L	26"	LARGER PANFISH JIGGING
6972	M	30"	MULTI-PURPOSE WALLEYE
6973	MH	30"	TROPHY WALLEYE/PIKE

ROD FEATURES

- Solid carbon fiber blank for increased sensitivity
- Blank-through handle
- Special stainless steel single foot ice guides
- Reel seat with cork grip

REEL FEATURES

- 3 + 1 ball-bearing reel
- Machined aluminum spool
- Deluxe quick-fold handle

PANFISH POPPER PRO COMBOS

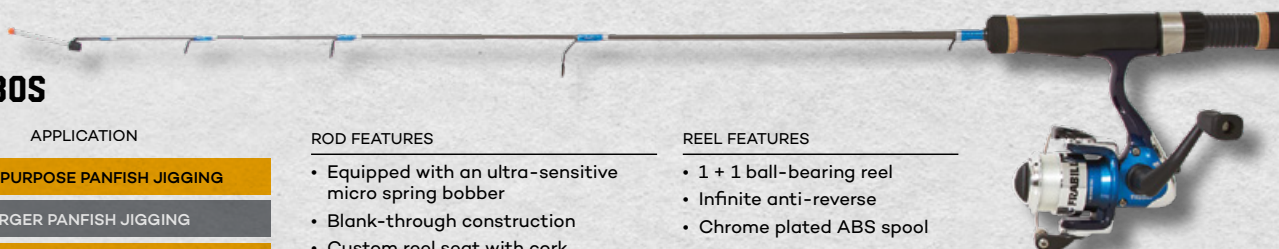

COMBO	ACTION	LENGTH	APPLICATION
6984	UL	24"	MULTI-PURPOSE PANFISH JIGGING
6985	L	26"	LARGER PANFISH JIGGING

682202	UL	22"	MICRO-LIGHT JIGGING
682203	L	24"	ULTRA-LIGHT PANFISH JIGGING
682201	M	26"	MULTI-PURPOSE JIGGING

ROD FEATURES

- Extra durable fiberglass composite blanks
- Sensitive blank-through handle construction
- Reel seat with EVA grips

REEL FEATURES

- 1 ball-bearing reel
- ABS spool

STRAIGHT LINE COMBOS

STRAIGHT LINE 101XLA COMBOS

COMBO	ACTION	LENGTH	APPLICATION
6915	UL	24"	PANFISH JIGGING
6916	QT	27"	QUICK TIP/PANFISH
6917	QT	32"	QUICK TIP/PANFISH

ROD FEATURES

- Materials used in each blank are chosen to match the technique, action and species
- Blank-through handle adds sensitivity and increases feel
- Aluminum oxide ice guides reduce freeze-up
- Comfortable cork handle

STRAIGHT LINE 101 COMBOS

COMBO	ACTION	LENGTH	APPLICATION
6845	UL	24"	PANFISH JIGGING
6846	L	26"	FINESSE WALLEYE LARGE PANFISH
6847	QT	27"	QUICK TIP/PANFISH

ROD FEATURES

- Materials used in each blank are chosen to match the technique, action and species
- Blank-through handle adds sensitivity and increases feel
- Stainless steel ice guides reduce freeze-up
- Comfortable cork handle

STRAIGHT LINE REELS

669701 STRAIGHT LINE 10IXLA REEL

- Large and balanced spool maximizes retrieval rate without needing backing line
- Lightweight composite construction for strength and durability
- Short and long reel stems customize to your fishing style whether you palm your reel or grip the rod handle
- Composite reel won't feel cold in frigid temperatures
- 1:1 reel ratio
- 8" line retrieval per revolution
- Super-smooth drag system
- Line feeds straight off spool, eliminating line coiling and tackle spinning
- 1 ball-bearing reel

669901 STRAIGHT LINE 10I REEL

- Lightweight composite construction for strength and durability
- Composite construction won't feel cold in frigid temperatures
- 1:1 reel ratio with super-smooth drag
- 5" line retrieval per revolution
- 1 ball-bearing reel
- Balanced spool
- Oversized reel handle for ultimate control
- Line feeds straight off spool, eliminating line coiling and tackle spinning

670701 STRAIGHT LINE 26I REEL

- Lightweight composite construction for strength and durability
- Composite construction won't feel cold in frigid temperatures
- 2:6:1 reel ratio with super-smooth drag and instant anti-reverse
- 16" line retrieval per revolution
- Large and balanced spool to maximize retrieval rate
- Line feeds straight off spool, eliminating line coiling and tackle spinning
- 4 + 1 ball-bearing reel with ultra-fine free spooling
- Audible/silent bait alarm switch
- Long stem positions reel away from rod to accommodate heavy gloves
- Free spool to easily drop smallest jigs

ROD ACCESSORIES

4241 ROD TUBE

- Ultra-light rod case
- Fits rod and reel combos up to 38" long
- Allows reel to remain attached to rod
- Overall length measures 41"

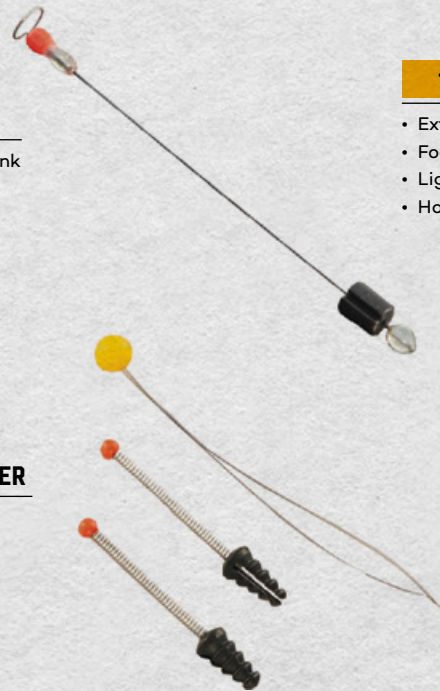

7010 ROD SAFE

- Extremely strong blow-molded hard case
- Foam padding keeps combos in place
- Lightweight design allows for easy transport
- Holds up to 8 combos

1683 TITANIUM SPRING BOBBER

- Titanium wire construction for unmatched durability – Will not kink
- Allows for worry-free storage
- Fits onto any existing combo
- Adjustable design allows for varying weights of jigs
- High-visibility bead for easy bite recognition
- Extremely lightweight design won't dampen rod tip action

1682 SPRING BOBBER 2-PACK WITH LINE THREADER

- Easily snaps into most existing rods' tip-top guide
- Fits most panfish action rods
- Designed for use with light lines and smaller finesse baits
- Includes 2 bobbers and 1 line threader

FRABILL®

BAIT CARE AND ICE GEAR

When you're constantly fishing at temperatures below zero, the one thing that becomes absolutely essential is insulation. This is as true for your bait as it is for you. As the leader in live bait management, Frabill features a complete line of insulated buckets, containers and aerators to keep bait healthy and accessible.

To keep yourself protected from the elements, Frabill's versatile ice gear gives exceptional warmth ergonomically designed for fishing activities.

AERATION AND BAIT CARE

14042 BAIT BOX WITH AERATOR

- Aerated live bait cooler
- Durable Insulation
- Keeps bait cool and aerated
- Lift-out net liner
- Lid latch prevents spilling of water/bait during travel
- Includes a 14331 aerator
- 8-quart capacity

4822 INSULATED BAIT BUCKET

- 1.3 gallon
- Insulated liner
- Aerator clip-on bracket
- Hose hole in lid

1600 SIT-N-FISH

- Comfortable seat snaps on tightly
- Beverage holders on inner bucket lid
- 6-gallon bucket with 10-quart insulated liner
- 1600 – packed 2/carton
- 160024 – packed 24/skid

14691 BAIT STATION 6 GAL. AERATION SYSTEM

- Whisper quiet operation
- Micro-bubble diffuser
- Water-tight design
- Removable insulated liner
- Effectively aerates up to 6 gallons
- Removable aerator module
- Clamp-on lid design
- Hook for bait net
- 6-gallon bucket with 10-quart liner
- Power options: two D batteries, 12V power adapter for boat or truck use, or 120V adapter port for long-term use at home (120V adapter not included)

1655 PAIL PAK

- Adds more storage capacity to your fishing bucket
- Straps onto any 5 to 6-gallon bucket

1643 SIT-N-STOW

- Adds storage capacity
- Converts any 5 to 6-gallon bucket into a comfortable seat

1642 STRATO SEAT

- Converts any 5 to 6-gallon bucket into a comfortable seat
- Shape allows angler to remain seated while accessing bait

1401

ACCESSORY BUCKET LID

- Easily snaps onto any 4.25, 5 or 6-gallon buckets
- Molded slots for a bait net, aerator, etc.
- Large bait door for easy bait access

99091

AERATION AND LID COMBO PACK

- Lid fits most 4.25, 5 or 6-gallon buckets
- Large bait door for easy bait access
- Includes 14202 aerator with hose and stone
- Molded slots for bait net, tools, etc.
- Aerates up to 6 gallons
- Runs on two D batteries
- Includes minnow dip net

I-3 ICE SUIT

The Frabill I-3 is simply the most versatile ice suit in its class. Lined with industry leading 3M™ Thinsulate™ insulation and constructed with 100% sealed seams, it combines exceptional warmth with breathable waterproof and windproof protection. Add in ergonomically designed joints, knee and seat padding, strategically placed hand-warming pockets and reinforced knees – and you have the complete ice fishing solution for all extremes.

INSULATION

3M Scotchlite™
Reflective Material

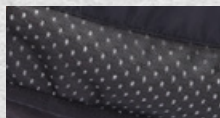

TACKLE BAG

JACKET

- Waterproof, windproof, breathable 300 denier nylon taslan shell, 100% seam-sealed
- 3M Thinsulate insulation, 150g
- Self-rescue feature set: ice pick holsters, ice safety internal label and drainage mesh
- Frabill self-rescue ice pick set
- Frabill ice fishing-specific ergonomic design
- Adjustable hood with sun visor
- Hand warmer pockets with tricot lining
- Multiple cargo pockets plus internal electronics pocket
- 3M Scotchlite reflective material

BIBS

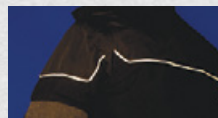

- Waterproof, windproof, breathable 300 denier nylon taslan shell, 100% seam-sealed
- Full-length leg zippers
- 500 denier nylon reinforced knees
- 3M Thinsulate insulation, 150g
- Self-rescue feature set: ice pick holsters, ice safety internal label and drainage mesh
- Frabill ice fishing-specific ergonomic design
- Full elastic shoulder straps with cam lock buckles
- Internal knee and seat padding
- Hand warmer pockets with tricot lining
- Zipper vents for temperature regulation
- Multiple cargo pockets
- 3M Scotchlite reflective material

DRAINAGE MESH IN JACKET AND BIB ALLOWS HEAVY WATER TO DRAIN RAPIDLY DURING SELF-RESCUE

ERGONOMIC DESIGN PROVIDES BEST FIT AND RANGE OF MOTION

3M™ SCOTCHLITE™ REFLECTIVE MATERIAL

446500 FRABILL TACKLE BAG

- Includes one 3650 and three 3601 Plano® StowAway® utility boxes
- Molded impact-resistant, waterproof base
- Four external speed zip pockets
- Internal key clip holder and elastic band organizer
- Large mesh pocket on back

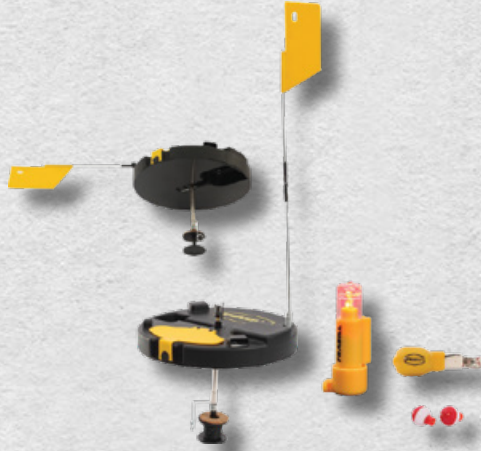

FRABILL®

TIP-UPS

At most, you can hold two fishing rods at a time. That's a good start. But if you want to really canvass the lake and increase your chances of landing a giant, you need to set up tip-ups. Frabill offers a full line of classic wood, stick and straight line tip-ups to ensure you don't go home empty handed.

ROUND TIP-UPS

1662

PRO THERMAL INSULATED TIP-UP READY-TO-FISH COMBO PACK

- The original insulated tip-up
- Flag extends to 20"
- Fully enclosed to better protect insulation
- Includes line, depth finder, line markers and a 1684 Lil' Shiner Tip-Up Light
- Shaft in shaft design allows re-greasing
- Covers 10" hole
- Fits in 5 to 6-gallon bucket
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft

1660

PRO THERMAL INSULATED TIP-UP

- The original insulated tip-up
- Prevents hole from freezing up
- Easy to carry
- Shaft in shaft design allows re-greasing
- Covers 10" hole
- Fits in 5 to 6-gallon bucket
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft

1671

PRO THERMAL INSULATED TIP-UP WITH TIP-UP LIGHT

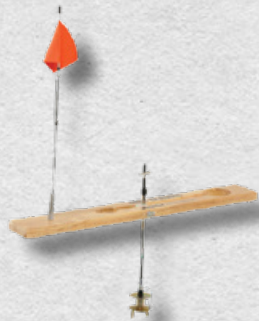

- The original insulated tip-up
- Chartreuse for high visibility
- Includes a 1684 Lil' Shiner Tip-Up Light
- Shaft in shaft design allows re-greasing
- Covers 10" hole
- Fits in 5 to 6-gallon bucket
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft

WOOD TIP-UPS

1664

CLASSIC WOOD TIP-UP

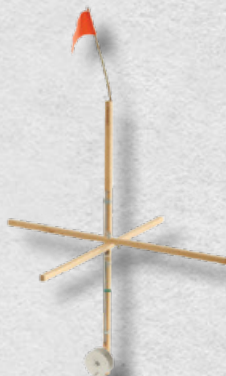

- Traditional hardwood design
- 17.5" flag shaft
- Shaft in shaft design allows for re-greasing
- Pre-lubed with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft
- Ultra-glide shaft for friction-free performance

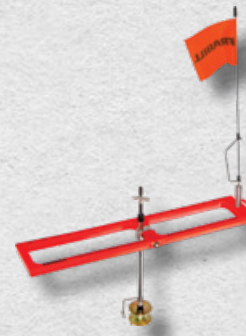

1720

WOOD STICK TIP-UP

- 32" high-visibility flag for deep snow conditions
- Extra-long spool shaft ideal for deep snow
- Folds for compact storage
- Line rolls easily off vertical spool

RAIL TIP-UPS AND ACCESSORIES

1693

ARCTIC FIRE TIP-UP (ORANGE)

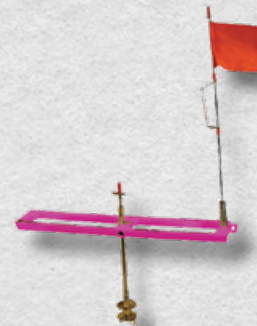

- Extra durable molded poly base
- 17.5" flag shaft
- Tapered rails for easier removal from snow and ice
- High-visibility orange
- Molded-in 19" ruler
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Removable spool shaft
- Dual trip settings

1680

ARCTIC FIRE TIP-UP (CHARTREUSE)

- Extra durable molded poly base
- 17.5" flag shaft
- Tapered rails for easier removal from snow and ice
- High-visibility chartreuse
- Molded-in 19" ruler
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Removable spool shaft
- Dual trip settings

16672

ARCTIC FIRE TIP-UP (PINK)

- Extra durable molded poly base
- 17.5" flag shaft
- Tapered rails for easier removal from snow and ice
- High-visibility pink
- Molded-in 19" ruler
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Removable spool shaft
- Dual trip settings

1674

BLACCHAWK ASSAULT TIP-UP

- Extra durable molded base
- Bait clip feature
- Shaft in shaft design allows for re-greasing
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft

1684

LIL' SHINER TIP-UP LIGHT

- Flashing LED light for superior visibility
- Small, lightweight design
- Two 1.5V alkaline batteries included (LR44)
- Environmentally friendly non-mercury switch

1678

DAWG BONE TIP-UP

- Compact design for improved storage
- Fits over 10" hole
- Rugged, lightweight polymer base
- Shaft in shaft design allows for re-greasing
- Pre-lubricated with Sub-Zero® low-temp lubricant
- Dual trip settings
- Removable spool shaft
- Ultra-glide shaft for friction-free performance

1681

ARCTIC FIRE TIP-UP LIGHT

- Flashing LED light for superior visibility
- Multiple options for universal attachment
- Two position on/off switch – simple operation, no need to remove or activate batteries
- Two 1.5V alkaline batteries included (LR44)
- Environmentally friendly non-mercury switch

1669

SUB-ZERO® LOW-TEMP LUBRICANT

- Multi-purpose low temperature lubricant
- Prevents freeze up to -60F
- Water-resistant
- Resists cold and moisture in critical parts of ice gear
