1.25" CUTTING DIAMETER

STRIKER V2

The All New Striker V2 has all the great things the Striker had and then some. Not only does it have a larger cutting diameter, the Striker V2 also features a machined ferrule that delivers true spin, along with added durability.

MONTEC

The Montec broadhead's foolproof design combines tough one-piece, all-steel construction with 100% spin-tested accuracy. With no components to assemble or replace, simply screw on and shoot.

85 GRAIN PART# 116

100 GRAIN PART# 112

125 GRAIN PART# 110

1.0625" CUTTING DIAMETER

MONTEC CS

The Montec CS is made of carbon steel. A lot of knife makers use carbon steel to help retain a sharper edge due to its hardness level. A little harder makes the Montec CS a little sharper.

100 GRAIN PART# 113

1.0625" CUTTING DIAMETER

MONTEC PINK

The pink stainless steel Montec offers the same toughness, dependability, and accuracy as our legendary Montec. Our new epoxy coloring process gives them a durable pink finish that will hold up shot after shot.
