REVOLVER SPEEDLOADERS

Loads Cartridges into
revolver instantly!
Super-Fast,
Super-Dependable!

Why load your revolver one cartridge at a time? With one slight twist, the HKS Speed Loader instantly loads all six cartridges into nearly any revolver.

The principle is simple: strong metal points hold cartridges securely in the loader until you release them into the revolver with a turn of the speed loader knob.

HKS

MAGAZINE SPEEDLOADERS

The HKS Mag loader is capable of loading 15 rounds in 18 seconds.

Faster and easier than ever before, our magazine speed loader quickly loads single or double stack magazines. **It's this simple:** magazine slips into loader and is held in by hand. Depress thumb lever and load. That's it!
