

STATIC

3445

a KERSHAW ORIGINALS design

The Static offers dynamic performance. With its cleaver-shaped blade, it excels at cutting, slicing, and chopping. The blade is quality 8Cr13MoV to take and hold a work-worthy edge. It opens one-handed with KVT ball-bearings and a flipper. The stainless steel handle features angled machining that adds to the knife's good looks and provides traction for a solid grip. The Static is an ideal work and utility knife that's also easy to EDC.
