

BAREKNUCKLE - OLIVE BLACKWASH™ 77770LBW

a KERSHAW ORIGINALS design

Olive-and-black and made-in-the-USA, this Bareknuckle is based on the original ZT 0777 award-winner, but with a slimmed profile and upgraded materials. The blade is Sandvik 14C28N high-performance steel with our handsome BlackWash finish. The handle is aluminum, anodized in deep olive. A Sub-Frame Lock keeps the weight light and makes the Bareknuckle easy to carry. The blade opens easily with Kershaw's KVT ball-bearing system and a flipper. The deep-carry pocketclip is left/right reversible.
