Food & Water Bowls

Thermal-Bowl 102 oz. Stainless Steel - (pictured above & below)

Thermal-Bowl

The Thermal-Bowl makes water available for pets in even the most extreme cold temperatures. Thermostatically-controlled, the Thermal-Bowl is the answer to freezing water bowls. Just plug it in and your pet's water will remain open all winter. All electronics are safely sealed inside and the cord is steel wrapped to prevent abrasion. These bowls use anywhere between 12 and 25 watts depending on the size, making them all good choices for low energy consumption. Indoor or outdoor use. MET listed. One year limited warranty.

Car Seat Saver

Enjoy traveling with your pet without the worry of rips, tears, dirt or pet hair ruining or staining the back seat of your vehicle. The cover simply loops over the driver and passenger headrests, covers the back seat and floor boards, and loops over the back seat headrests. It also serves as a deterrent for pets jumping in the front seat. There is a convenient pocket to hold leashes, portable water/food dishes, and toys. Made of heavy denier polyester with a water-resistant coating for extra protection. A travel necessity! Coordinates with the Travel/SUV Bed. One year limited warranty.

Small Animal Heated Pad

Only 25 watts is all that's needed to keep an indoor or outdoor pet warm and comfy even in the coldest of climates. The 9" x 12" size is perfect for rabbits, guinea pigs or ferrets and is ideal for the rehabilitation of wildlife*. The internal thermostat is pre-set to be the perfect temperature. We've cleverly rounded all the edges to take away a chewing surface and even capped the cord entrance and the first 18" of the power cord with steel. Holes in the four corners allow for screws to anchor the pad on wood surfaces or to be wired in place for wire-floored cages. The perfect warm spot for any small animal! Indoor or outdoor use. MET listed. One year limited warranty.

*Check with local authorities for laws/regulations regarding wildlife rehabilitation

Thermo-Peep Heated Pad

The Thermo-Peep Heated Pad is the ideal additional heat source for your peeps! It is designed to fit most nesting boxes to help prevent frozen eggs. The 9" x 12" size is perfect for the urban farmer in many settings. Use in the first stages of life for mandatory heat requirements and later when old man winter pays a visit! The internal thermostat is pre-set to the perfect temperature. Ensuring your chicks do not "get chilled" will help prevent "pasting" and support a healthy start. Only 25 watts makes the Thermo-Peep Heated Pad extremely energy efficient. We even capped the cord entrance and the first 18" of the power cord with steel for the ultimate safety and well-being of your birds. Holes in the four corners allow for screws to anchor the pad on wood surfaces or to be wired in place with traditional chicken coops. For use in an enclosure. MET listed. One year limited warranty.

Stock Tank De-icers

The "Farm Essentials" line from K&H Pet Products has "reinvented the wheel" when it comes to keeping fresh water available in the winter. Every K&H de-icer is thermostatically controlled and safe to use in all stock tanks, unlike nearly all of the other de-icers available in the market today. No expensive shrouds or cages need be purchased either. Every one of our de-icers can be used as a floating de-icer out of the box or in seconds converts to a submersible de-icer with the click of a button!

In the past, all that was readily available were energy gulping 1000 watt to 1500 watt de-icers. Customers had no choice but to purchase these expensive-to-run de-icers, even when they didn't need to. We've solved this problem by creating a whole line of de-icers along with a convenient zone chart for consumers to choose the correct de-icer every time! A free cord safety clip is also included with every de-icer. This ingenious clip secures the de-icer to the edge of the stock tank, bucket or container to help prevent chewing, cribbing or removal of the de-icer from the tank. When it comes to fresh water, K&H Farm Essentials™ de-icers are the choice that makes "cents." MET listed. Two year limited warranty.
