

## WILD ASPEN 20™

### The Wild Aspen 20 is thoughtfully designed for three-season comfort

The bag features synthetic insulation for an exceptional warmth-to-weight ratio. Lightweight and durable micro polyester shell is water and abrasion resistant, while the inner liner is designed to retain warmth. Featuring a fully adjustable mummy hood and a built out foot box for extra comfort. Zipper draft tube ensures the cold air stays out and an anti-snag zipper guard keeps fabric from snagging.

### REGULAR

SKU: 13WAGR20C

#### PRODUCT SPECIFICATIONS:
