

## WILD ASPEN 0™

### The Wild Aspen 0 is thoughtfully designed for four-season comfort

The bag features synthetic insulation for an exceptional warmth-to-weight ratio. Lightweight and durable micro polyester shell is water and abrasion resistant, while the inner liner is designed to retain warmth. Featuring a fully adjustable mummy hood and a built out foot box for extra comfort. Zipper draft tube ensures the cold air stays out and an anti-snap zipper guard keeps fabric from snagging.
