## Miller Manufacturing Standard Warranty

Miller Manufacturing Company products are warranted to the original purchaser to be free from defects in material and workmanship under normal use and service.

DISCLAIMER: Due to the numerous factors relating to the hatching of eggs, Miller Manufacturing Company makes no warranty whatsoever in respect to the number of eggs that will be hatched using the Little Giant® brand incubators or egg turners. The warranty is expressly in lieu of all other warranties expressed or implied including the warranties of merchantability and fitness for use and all other obligations or liabilities on our part. We neither assume nor authorize any other person to assume for us, any other liability in connection with the sale of Miller products or any part thereof which has been subject to accident, negligence, alteration, abuse, or misuse. We make no warranty whatsoever in respect to accessories or parts not supplied by us.

The above warranty applies to all Miller Manufacturing products unless otherwise specified.

## API Products

All products in the API line are fully warranted against defects in workmanship for a period of one year from date of purchase, unless otherwise noted.

## Hot-Shot® Prods

Hot-Shot® maintains a complete repair service at the factory. If a Hot-Shot® product fails due to a defect within the specified warranty period, the unit must be returned to the factory for examination. If the product is found to be defective and is within the warranty period, replacement or repairs will be made. The product will be returned postage paid.

This warranty does not include case breakage or any form of physical damage, or damage due to normal wear and tear or tampering with the handle or motor unit.

Hot-Shot® also maintains a repair for fee service at the factory. If a product is returned to the factory for repair and is not within the warranty period customers will be contacted regarding estimated repair costs prior to chargeable repair service being performed.
