

Q: How do I open or reset my TSA Approved Master Lock Travel Sentry Certified lock Model # 4680DBLK or # 4680DNKL?

A:

View instructions on how to change/reset the combination for your TSA Approved Master Travel Sentry™ Certified lock.

Note: Once the lock is set, there is no way to open it without the combination. Please make sure you record your NEW combination in a safe place.

Store your combination at masterlockvault - a FREE service from Master Lock! The Master Lock Vault provides a safe & convenient place to store *all* of your confidential data for quick & easy access from your PC, iPhone, or any other mobile devices!

When it comes to quality travel organizers & accessories, Master Lock is the brand you can depend on.
