LED DECK LIGHT

Great for lighting up deck rails, edging and steps!

Solar deck lights add safety and elegance!

My deck is dark at night. I can't see the railing and walking down the steps is pretty scary. These nifty little solar deck lights, light up your steps, railing or deck edges. They add beauty and even more importantly prevent you from falling or tripping. Two screws and they are installed. The sun does the rest during the day and the rechargeable battery lets the lights shine at night. Each box contains 4 deck lights.

Features:

- Provides accent lighting to stairs, deck railings or deck edging.
- Marks and highlights edges and corners of your deck or steps.
- Helps prevent falls or tripping.
- Turns on automatically at dusk.
- 2 Bright LEDs use free energy from the sun.
- Rechargeable NiMH battery included.
- Durable, weatherproof plastic housing lasts for years.
- Improves deck safety.
