

Solar-Powered

NINJA STARS - Led deck accent lighting

MODEL # 47335

No More Stumbling in the Dark!

Light your deck, steps or railings.

This set of 4 deck lights is great for everything from accenting decorative elements of your deck, to illuminating dark paths or steps. Whether you are trying to show off your deck or prevent trips and falls, the Solar Powered Ninja Star Lights are for you.

SOLAR POWERED

The lights are powered by integrated solar panels and come with rechargeable NiMH batteries. There is no need to run any electricity to the unit or to buy batteries.

Easy Install

These deck lights can be either set on the ground or mounted to any flat surface. Mounting is easy! You can either simply place them on the ground, or attach them by screwing into the integrated mounting holes. There are two mounting holes on the back of the unit. It's as easy as hanging a picture on the wall. Mounting screws included.
