MTM MOLDED PRODUCTS COMPANY

MTM is a family owned and operated, plastic injection molding facility with a primary focus on the shooting sports. First opening it's doors in 1968; MTM Molded Products began as a simple idea for storing ammo.

Founder Bill Minneman, an avid hunter since early childhood, needed a sturdy container to store his reloaded ammo. At the time, everyone settled for paper bags or cardboard boxes. A toolmaker by trade, and a practical inventor by nature, Bill created the Case-Gard 50 series, which is still available today. From ammo boxes to gun rests to clay target throwers, MTM offers a huge variety of products all specifically designed for the shooting sportsman.

100 ROUND, CASE-GARD™ RIFLE AMMO BOX

Between cleaning kits, shooting gear and a good supply of ammo, space can be rather limited in a shooting box. We understand this because as a family of shooters, we share your dilemma. This is why MTM created the Case-Gard™ 100 round ammo box, a compact way to hold large amounts of ammo. Great for varmint hunters and competitive shooters, both the RS & RM-100 feature a scuff-resistant textured surface, snap-lock latch, stacking feet, mechanical hinge and load labels...with an unheard of, 25 year guarantee.

BORE GUIDES

MTM Bore Guides allow a person cleaning a rifle to pass a cleaning rod through a rifle action without dribbling solvent or cleaning agents into the trigger mechanism and magazine. Bore Guides "guide" the cleaning rod straight into the chamber and barrel, reducing the chance of scratching the chamber area, bending the rod or scraping it against the internal surfaces of the trigger mechanism. Designed to fit "families" of rifle actions, Bore Guides are available in four sizes.

BGR-S-40 For .17 to .243(6MM) calibers. Fits Remington 700, 788, 40X short actions; Mauser 300, Ruger 77 short actions; and similar bolt sizes.

BGR-L-40 For .25 to .378 WBY Mag. calibers. Fits Remington 700, 788, 40X short actions; Ruger 77 long actions; and similar bolt sizes.

BGW-S-40 For .17 to .243(6MM) calibers. Fits Remington 700, 788 long actions; Winchester 70 short actions; Savage 110; Weatherby Mark V long actions & Vanguard actions; Ruger 77 long actions.

BGW-L-40 For .25 to .378 WBY. Mag. calibers. Fits Remington 700, 788 long actions; Winchester 70 & 54 long actions; Ruger 77 long actions; Mauser 300; Weatherby Mark V long actions & Vanguard actions; Browning A-bolt long action standard & magnum calibers; Savage 110; Mossberg 3500; Sako long actions(AV); and other long actions.

MTM PREDATOR SHOOTING REST™

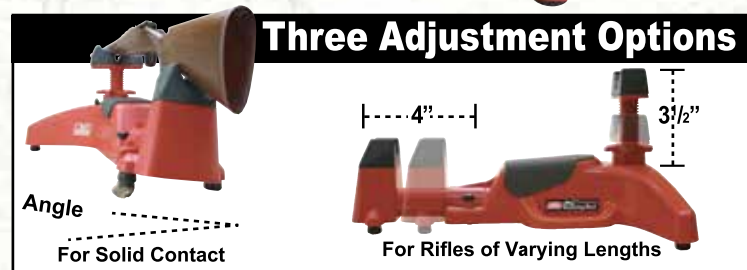

The MTM Predator Shooting Rest is a rugged, fully adjustable, easy to transport, modestly priced shooting rest. The PSR is actually a two piece unit, equally suited for both rifle and handgun enthusiasts. By loosening the PSR's butt stock support it not only levels the rest on uneven surfaces but also adjusts to fit various length guns. Remove the support completely and the PSR becomes a highly effective handgun or front rifle rest. A precision dialed screw pedestal adjusts forearm level for exact positioning. Non-marring rubber shooting pads give solid, gripping support to (whatever the shape) gunstocks and barrels. Plus, four rubber feet provide a wide, slip-free stance on any shooting bench for an amazingly solid hold.

K-Zone™ Shooting Rest

The K-Zone shooting rest stands out as MTM's top of the line rifle and handgun shooting rest. Precision built for checking reloads or factory ammo with your favorite rifle. Designed to replace heavy metal rifle rests as a lightweight, compact, all around easier to use alternative.

The K-Zone has a solid four-foot stance, with feet made of non-marring rubber, placed for optimum stabilization, plus a large vertical adjustment screw that allow for quick height adjustments and a solid, no-movement hold. It is padded front and rear with non-marring rubber shooting pads. Adjustable in length to fit a full size hunting rifle all the way down to a small youth rifles. Also accommodates AR15 style and lever-action rifles. With the rear piece removed it becomes a pistol handgun rest or front rifle rest. The padded storage box is removable and can hold shooting glasses, ear plugs, tools, etc..

The rest weighs 4 pounds and features hollowed compartments to which you can add weight if desired. Built to withstand heavy calibers, the American-made K-Zone is perfect for sighting in any rifle or handgun. Measures 16" wide and 19" long in storage position, expands to 26" long for shooting.

High-Low Shooting Table **NEW**

DESIGNED FOR UNEVEN GROUND

TAKING BENCH SHOOTING TO THE NEXT LEVEL

MTM PREDATOR SHOOTING TABLE™

Molded in gun supports on three sides

Beefy, structural ribbing and steel reinforcement to brace against bowing

Folds flat for easy transport

Standing 30" tall and modeled after a traditional bench-rest, this wedge-shaped table provides a comfortable shooting position for both left and right handed shooters. The ample 28" x 35" shooting surface provides plenty of room for guns, shooting rest, ammo, logs and tools. Barrel grooves, molded into three sides of the table, provide a handy place to lean firearms once set up. Doubling as a maintenance bench, the MTM Predator Shooting Table is ideal for sighting-in and testing firearm performance. Made with global parts, packaged in the USA.

PST-11 Size:(L)35" x (W)28" x (H)30"
Color: Forest Green (11)

ADJUSTS FROM 18" TO 55" OFF THE GROUND!

HIGH-LOW SHOOTING TABLE

Introducing a revolutionary, bench-rest style shooting table that sets up where no table could set before. Marshy or uneven ground – even a hillside won't deter from setting up with this table – the secret lies in the tripod design. Independently adjustable legs lock securely into place via upper twist locks and below via all-steel screw clamps. Stake-style steel feet that feature side stirrups for easy leveraging into the ground offering a firm hold just about anywhere nature takes you.

The High-Low's degree of adjustability is unmatched – from a low 18 inches to a whopping 55 inches off the ground – set it as high or low as suits your need. Shaped to accommodate both left and right handed shooters, the bench-style, table surface measures an ample 17 x 33 inches and will easily hold a front and back rest, ammo and other necessities.

Transport is a cinch with a molded in tabletop handle and convenient tripod shoulder strap for carrying over longer distances. Made with USA and global parts.

EZ-Throw™ 3

Introducing the world's easiest, handheld clay target thrower...no tricky gimmicks, no tangled bands or expensive mechanics to fumble with, just easy, affordable clay launching fun.

The EZ-3's new (patent pending) "Power Pivot Arm" makes sending clays easier than ever before. People who normally lack the arm strength for a hand-held target thrower suddenly find themselves swinging clays as true as the big boys. Split-second trajectory changes, with no mechanical adjustments, means hours of challenging, fast paced shooting fun...at a price, less than a box of birds. Compass is imported.

- Equals MTM's "Original EZ-II" velocity, with 30% less effort
- No hassling with bands, springs or mechanical parts
- All new, comfort-grip handle, with "Power Pivot Arm"
- Rugged construction with MTM 5 year guarantee
- Throws left or right handed
- "Toss-anywhere" packability
- Uses standard 4.5" clay targets

- L EZ-3** Total Length - 20"
Color: Red (30)

EZ-THROW-II™

The EZ Throw-II™ keeps the sport of shooting clays affordable and fun. This one-piece plastic thrower, features MTM's unique "power curve," sending clay targets faster and farther than any of the cheap, foreign made knock-offs found on the market. With a little practice you and your buddies can challenge each other with jump birds, curves and ground skimmers. The EZ-II throws both right and left-handed.

- M EZ-11-30** Total Length - 19"
Color: Red (30)

EZ-DOUBLE THROW™

Keep your friends guessing with the EZ Double Throw™, it provides a whole new level of excitement to this already challenging sport. Sending two clays at once, the EZ-DT is fully adjustable for countless horizontal and vertical separation choices. Throwing both right and left-handed, the EZ-DT comes with two original EZ-II's and complete handle assembly.

- N EZ-DT-40** Assembled Length - 31"
Color: Black (40)

EZ-THROW™ MR

This is by far our fastest target thrower. The EZ-MR swings a clay target high and hard - over 90 yards out - making it the ideal choice for high fly over practice. If you can hit this one, you can hit anything. Also throwing left or right-handed the EZ-MR comes with one original EZ-Throw-II™ plus a 35" handle extension.

Ultra Compact Arrow & Bolt Cases

Affordably priced and small in profile, MTM's Ultra Compact Cases use notched foam padding to keep arrows separated and secure. The stackable design and comfortable grip provide an excellent way to organize, transport and store arrow and bolt inventories. Pin-free mechanical hinges, strong snapping latches and double padlock tabs keep all items stored inside safe and secure.

Of course, made in the U.S.A. from rugged polypropylene, both sizes are available in solid black, clear smoke and now MTM's exciting Purple Camo.
