CATALOG

The bond between a person and a pet is a special thing. That's why since 1995, we've poured our hearts into the creation and discovery of award winning pet products. We understand that a quality made pet product can help to pull pets and owners closer together. When pets and people are closer, stress is reduced and life gets a little better. If even for a little while. A smile. A wagging tail. A chuckle. A sloppy kiss and a happy bark all start with having fun. Multipet helps to add to that fun exponentially.

multipet

It's all about the squeak!

Come on and make some noise for our line of Squeakable toys! Dogs love our enticing squeakers. Some grunt, some make animal sounds and some just make a playful squeak that dogs go crazy over. Bright and colorful, they come in so many different shapes, sizes and chew levels, so there is one for every playful pooch. Our Squeakable toys are made from latex and some toys are stuffed for added texture. Some of our Squeakables even float, so give it a squeak and watch the fun begin!
