BROADHEADS

THUNDERHEAD[®]

- NAP-60-208** 85 GRAIN - 5 PACK
- NAP-60-150** 100 GRAIN - 5 PACK
- NAP-60-114** 125 GRAIN - 5 PACK

Thunderhead[®] is widely recognized as the finest fixed-blade broadhead ever created, offering the sharpest blades and finest quality.

- 1 1/8" Cutting Diameter - 85 Grain
- 1 3/16" Cutting Diameter - 100 and 125 Grain
- No Lock Rings or O-Rings to hold blades in
- Designed for ultra fast bows

THUNDERHEAD NITRO

- NAP-60-036** 100 GRAIN - 3 PACK

Thunderhead NITRO[®] is perfect for fixed blade broadhead shooters who demand extreme accuracy and ruggedness. Featuring all steel construction, it is made for the fastest and most powerful bows and crossbows available.

- 1 1/16" Cutting Diameter

HELLRAZOR[®]

- NAP-60-410** 100 GRAIN - 3 PACK
- NAP-60-411** 125 GRAIN - 3 PACK

A single piece solid steel-fixed blade broadhead, straight-razor sharp, to get the job done... that's Hellrazor[®]

- 1 1/8" Cutting Diameter

SPITFIRE[®] DOUBLECROSS[®]

- NAP-60-086** 100 GRAIN - 3 PACK

Spitfire Doublecross[®] is a broadhead that integrates 4 no-fail blades with a 2-stage blade deployment.

- 2" Main Cutting Diameter
- 1 1/8" Secondary Cutting Diameter

NAP is proud to present the next level in broadhead development, the DK4. This hybrid-mechanical broadhead features a pivoting main blade and two mechanical bleeder blades designed for maximum penetration potential; the main blade hits hard and deflects around very thick bone sections to maintain momentum to deliver true pass-through power. Spitfire[®] spring clip technology holds the main blade in during launch and the bleeder blades are guaranteed to open on impact no matter what your target is.

A DK4 VERTICAL

- NAP-60-DK100** 100 GRAIN - 3 PACK
- NAP-60-DK125** 125 GRAIN - 3 PACK

- 1 3/4" wide pivoting main blade deflects on heavy bone sections
 - Two 1 1/8" cut incredibly sharp bleeder blades with Spitfire blade retention technology
 - Laser accurate with ultra-durable construction
- Patent Pending

B DK4 CROSSBOW

- NAP-60-DKX100** 100 GRAIN - 3 PACK
- NAP-60-DKX125** 125 GRAIN - 3 PACK

- 1 3/8" wide pivoting main blade deflects on heavy bone sections
 - Two 1 1/8" cut incredibly sharp bleeder blades with Spitfire blade retention technology
 - Laser accurate - even out of modern crossbows
 - Ultra-durable construction
- Patent Pending

SPITFIRE[®]

- NAP-60-234** 100 GRAIN - 3 PACK
- NAP-60-245** 125 GRAIN - 3 PACK

Spitfires[®] fly straight with pinpoint accuracy performing better than any other mechanical broadhead, thanks to their ultra-sharp Diamize[®] blades. NAP's renowned durability ensures the Spitfire[®] will stand up under the toughest conditions. Patented spring clip technology ensures your blades will stay closed in your quiver and in flight without the need for rubber bands or O-rings.

- 1 1/2" Cutting Diameter

BROADHEADS

SPITFIRE® XXX

NAP-60-140 100 GRAIN - 3 PACK

The time tested and proven design of the Spitfire® enhanced with a massive cutting diameter.

- 2" Cutting Diameter

SHOCKWAVE®

NAP-60-265 100 GRAIN - 3 PACK

NAP-60-284 125 GRAIN - 3 PACK

Shockwave® mechanical broadheads provide the same quality, sharpness and durability of an NAP mechanical broadhead at an economical price.

- 1 1/4" Cutting Diameter

KILLZONE®

NAP-60-996 CUT ON CONTACT 100 GRAIN - 3 PACK

NAP-60-810 CUT ON CONTACT 125 GRAIN - 3 PACK

NAP-60-997 100 GRAIN - 3 PACK

NAP-60-811 125 GRAIN - 3 PACK

The Killzone® is a 2 blade rear-deploying mechanical broadhead that packs a devastating 2" cutting diameter. The field-point accurate Killzone® has no O-rings or rubber bands, using NAP's unique spring-clip design to ensure blades won't open in flight or in your quiver.

- 2" Cutting Diameter

GOBBLER GETTER

NAP-60-250 100 GRAIN - 3 PACK

The ultimate turkey hunting broadhead featuring legendary Spitfire® broadhead technology combined with a rounded point to deliver maximum shock to drop your bird quickly.

- 1 1/2" Cutting Diameter

SPITFIRE EDGE

NAP-60-892 100 GRAIN - 3 PACK

It's a Spitfire on steroids! The Spitfire Edge has the proven Spitfire features – strength, killing power and accuracy plus more! Exclusive NAP straight/serrated blades are devastating on hide & flesh, and can saw through bone like a hot knife through butter. Offset blades produce gapping exit holes and massive blood trails. Proven design and precision manufacturing deliver "out-of-the-box" field-point accuracy. Feature's NAP's devastating Trophy Tip point.

- 1 3/4" Cutting Diameter

KILLZONE® MAXX

NAP-60-812 CUT ON CONTACT 100 GRAIN - 3 PACK

The Killzone® Maxx is NAP's largest cutting diameter broadhead in the Killzone® line. A devastating 2 3/8" cutting diameter along with Killzone's rear-deploying design and patented blade retention technology.

- 2 3/8" Cutting Diameter

KILLZONE® SWINGFIRE

NAP-60-017 100 GRAIN - 3 PACK

NAP-60-021 XBOW 100 GRAIN - 3 PACK

Inspired by the Killzone® Slingblade and Spitfire® DoubleCross, the new Swingfire is designed to never open in flight and instantly deploy upon contact—ensuring that failure is not an option. Field-tested with pinpoint accuracy at 450 fps.

- 2" Cutting Diameter

SLINGBLADE

NAP-60-142 100 GRAIN - 3 PACK

The Slingblade features a simple and rugged design built for all hunting conditions. Your blades will never open in flight using the Slingblade no matter how fast or powerful your bow or crossbow. A large 1 7/8" cutting diameter provides massive entrance and exit wounds for easy to follow blood trails for quick recoveries.

- 1 7/8" Cutting Diameter

NIGHTHAWK

DROP AWAY REST

NAP-60-869 RIGHT HAND

The Nighthawk capture/drop away arrow rest features full containment with sound dampening Santoprene for whisper quiet operation. Laser etched graduations make fine tuning quick and easy. Magnesium housing and rugged all metal construction make the Nighthawk arrow rest ultra-lightweight for any weather condition.

- Designed to fit on all bows
- Weight: 4 ounces

QUIKTUNE® 360

NAP-60-691 RIGHT HAND - REALTREE® APG CAMO
NAP-60-350 RIGHT HAND - BLACK

The capture brushes on the Quiktune® 360 allow you to shoot with no vane contact at any angle, even upside down. No vane contact means no loss of speed, no drag, no possible damage to your fletching and increased accuracy. There is no need to use de-icing products in cold, wet weather, and wind will not disturb your arrow as it rests securely on the Quiktune® 360 degree capture rest.

- Weight: 2.5 ounces

FLIPPER REST® II

NAP-60-104 RIGHT HAND - BLACK
NAP-60-105 LEFT HAND - BLACK

The Flipper Rest® II was the first arrow rest to use a folding arm with return spring, providing optimal fletching clearance. The arrow rest is easy to install with self-adhesive mounting. Thanks to extra rugged construction, the Flipper Rest® II is ideal for even the heaviest compound bows, as well as traditional bows.

CENTEREST® FLIPPER

NAP-60-144 RIGHT HAND - BLACK

Centerest® provides straight shooting right out of the package, easy to tune and easy to use.

- Official NASP Rest

CENTEREST®

NAP-60-126 RIGHT HAND - BLACK
NAP-60-134 LEFT HAND - BLACK

Simple to tune and easy to use, Centerest® provides straight shooting almost immediately.

APACHE® STABILIZERS

NAP-60-775 5" - BLACK
NAP-60-776 5" - REALTREE® APG CAMO
NAP-60-777 8" - BLACK

The Apache® Stabilizer system offers the same solid construction and stealth qualities you have come to trust from the Apache® drop away arrow rest lineup. Proprietary dampening materials snuff out vibration and silence your bow at the shot. The stabilizer system comes as a 5" base stabilizer while the Apache 8" comes with a removable 3" long, 2 oz carbon fiber accessory bar to help balance out your bow.

APACHE® PREDATOR LED STABILIZER

NAP-60-795

- Green 3-watt CREE® LED provides excellent brightness, out to 100 yards
- Apache® vibration/dampening technology cancels out vibration and noise
- All aluminum construction, rugged black anodized finish and water resistant
- Includes (1) long lasting CR123 replaceable battery
- Weight: 4 oz./Length: 6"

APACHE® PREDATOR BOWFISHING LIGHT

NAP-60-794

- White 3-watt CREE® LED provides excellent brightness, out to 100 yards
- Apache® vibration/dampening technology cancels out vibration and noise
- All aluminum construction, rugged black anodized finish and water resistant
- Includes (1) long lasting CR123 replaceable battery
- Weight: 4 oz./Length: 6"
