

QuikFletch™ Installation

Professionally Crest and Fletch your arrows in seconds!

- *Made of super tough materials -*
- *Won't come off arrows even on a game or target pass-thru!*
- *Easily replaced - just slice and peel - arrow stays clean*

Slide onto arrow **1**

2

Dip into boiling water
for 8 - 10 seconds.

3

Wait 15 minutes
and you are ready
to shoot a perfectly
fletched arrow.
