

1730 TRANSPORT™ CASE
DUAL MODE SHIPPER

ONE IF BY HAND
FOUR IF BY FORKLIFT

THE 1730 TRANSPORT CASE

From the loading dock to the final destination, the 1730 is the rugged transport case for the job. Stainless steel ball bearing wheels and a fold down handle turn big loads into a one-man job.

Got a whole pile of gear to move? Heavy cleats lock a stack together as one secure load.

The 1730 Transport Case from Pelican makes hand trucks obsolete.
