

RUGGED & LIGHTWEIGHT

Durable military-grade PVC with drop-stitch construction that will last for years.

4 POINT FRONT BUNGEE

Expandable bungee cord holds down your cooler or gear. Easy access from rider position. Great for Coast Guard-mandated life vest.

DURABLE HANDLE

Lightweight but durable handle provides easy grip for lifting board or tying down while inflated.

TEXTURED SKIN FOR BETTER GRIP

Textured deck finish offers maximum comfort while providing great traction especially for riding waves or cruising smooth water.

REINFORCED LEASH RING

Metal D-Ring is corrosion resistant and reinforced to deck for added strength.

EZ AIR VALVE

Durable, easy to use fill valve seals in air until you press the release valve making filling your board a snap!
