

Interactive Personal Training Right Inside Your Home

1-Year iFit® Membership Included*

iFit makes your home your hub for health and happiness. We have created the world's smartest fitness experience and provide it to you from the comfort of your home. Now you can experience every type of training available, any time of the day.

The Power 1295i comes with a 1-year iFit membership, giving you full access to an expansive collection of worldwide workouts and an ever-growing library of limit-pushing studio workout classes that will get you moving and sweating on and off your machine.

World-Class Personal Trainers

Engage in a whole new fitness experience as world-class personal trainers take your exercise to the highest level. Our iFit trainers all have their own unique style and approach to giving you a great workout experience on and off your equipment every day.

Interactive Training Sessions

This is where motivation is elevated and effort turns into success. Surpass your goals with full access to a wide variety of on-demand, trainer-led studio and global workouts. Feel the energy of a professional workout class or run through some of the most beautiful locations around the world.

LIVE Interactive Technology

Follow along with our personal trainers as they lead your workout and help you get results. With iFit's LIVE Speed and Incline Control technology, your trainer automatically changes the speed and incline of your treadmill to realistically match the terrain of your workout—so when your trainer goes up a hill, you will too.

*Connect your included 1-year iFit® Coach membership on your Android™ or iOS tablet. Tablet not included. Review your iFit® Coach account on a computer, tablet, or smartphone. iFIT experience shown. Internet and WIFI required. iFIT membership activation requires credit card and auto-renews for fee. Cancel at anytime.

A woman with dark hair tied back, wearing a light pink sleeveless top and dark leggings, is running on a black treadmill. The treadmill has a large console with a screen and a tablet mounted on it. The setting is a bright, modern home with large windows and a dining table in the background. The text "Bring Power into Your Home" is overlaid in the top left corner.

Bring Power into Your Home

Big and Strong

Designed by innovation, the Power 1295i comes with some of the latest in fitness technology available. A powerful 3.5 CHP Mach Z™ Commercial Plus Motor will keep you running for years to come and the large 20" x 60" tread belt will let you stretch out your stride anytime you need.

Feel the difference with Pro-Form.
