

Rothco Tactical MOLLE Rifle Scabbard

Rothco's Tactical MOLLE Rifle Scabbard is designed to enable effortless transportation of long rifles. This gun case is perfect for airsoft, hunters, tactical professionals, and more. A removable snap carry handle and detachable shoulder strap provide convenient carrying of the rifle case. The tactical rifle case is padded to provide an additional layer of protection. Six rows of MOLLE webbing and two D-rings on the front and back of the soft rifle case for mounting tactical accessories. The Quick release web strap on the tactical gun case provides easy access to your rifle, and the long rifle case folds to adjust to various barrel lengths. The extended zipper on the MOLLE rifle scabbard plus two snap closures are designed to accommodate a grip. The rifle case also includes a grommet drain hole. The opening measures 10.5 inches with an overall length of 29.5 inches.
