

Rothco Tactical MOLLE Shotgun Scabbard

Store and carry your shotgun at the range or in the field with Rothco's Tactical MOLLE Shotgun Scabbard. This gun case is perfect for soldiers, hunters, tactical professionals, and more. A removable adjustable shoulder strap on the shotgun case enables easy transportation. The tactical gun case has two D-rings and 14 rows of MOLLE webbing on each side plus four movable MOLLE straps for mounting tactical accessories. A ½ inch of padding around the tactical shotgun case provides your shotgun with a layer of added protection. An adjustable and removable retention strap on the shotgun carrying case secures your shotgun grip in place while on-the-go. The tactical shotgun scabbard measures 29.5 inches long with a 6-inch opening to accommodate shotguns of most sizes.
