

Rothco MOLLE Open Top Triple Mag Pouch

Rothco's MOLLE Open Top Triple Mag Pouch is an excellent accessory to mount on your tactical vest to safely secure your spare mags at the range. The Mag Pouch is designed with 6 MOLLE straps on the back to fasten to any MOLLE compatible item. Constructed of denier polyester (Item 41003 MultiCam Version is made with Nylon), this triple mag pouch is built to last with the utmost durability. The elastic cord closure provides quick release access while holding your magazines securely in place. This magazine pouch features grommet holes for drainage. Measuring 9 1/4 inches X 5 1/2 inches, these MOLLE mag pouches are perfect complements for plate carrier vests and transport packs.
