

Rothco Ski and Rescue Suit

Rothco's Ski & Rescue Suit has been designed to keep you warm and dry in the most extreme elements. The Ski suit features a Holofil 808 insulation, the insulation is designed with a hollow core which traps more air for great warmth and loft. In addition to the added warmth, the snowsuit is waterproof with a heavy oxford nylon shell. Additional features of the one-piece ski suit include a detachable zip off hood, 2-way front zippers with single snap closure at the top, leg zippers, 2 side slash pockets, black elastic knit and wrist cuffs. Rothco's Rescue suit has been designed with red, white and blue stripes that run down each arm. The ski suit is great for skiing, hunting, outdoor work or any activity that requires you to spend long periods of time in cold weather.
