Rothco's Army Physical Training Shorts were designed after the new APFU (Army Physical Fitness Uniform) optional wear regulations. The Army PT Shorts feature enhanced performance fabrics that are both moisture wicking and breathable, designed with the athlete in mind. The outer shell is constructed of 100% polyester for durability and side panels featuring a Poly/Spandex blend for added stretch and movement. For added comfort Rothco's Physical Training Shorts are equipped with a drawstring and elastic waist for an ideal fit and boxer style inner liner. The PT shorts also feature a hidden waist pocket near the left leg. Rothco also carries the matching Army PT Shirt.
