

Rothco Assisted Opening Folding Knife

Rothco's Assisted Opening Folding Knife features 420A stainless steel blade and a lightweight and rugged G10 handle. The stainless steel blade measures 3 1/8" while the knife measures 7 3/4" overall. The tactical folding knife also features a 2.5" pocket clip, a finger groove in the handle, and a 3mm drop point blade. Rothco's assisted opening knife opens with ease, so it will always be ready as fast as you are. **WARNING:** This product contains a chemical known to the State of California to cause cancer, birth defects and other reproductive harm.
