

Rothco Drop Leg Utility Rig

Rothco's Drop Leg Utility Rig features a 6¼" x 12¾" platform with MOLLE loops & padded back and 3 removable MOLLE compatible pouches. The removable pouches for the utility rig include:

- The Main Compartment measures 5.5" x 3.75" and features a zippered compartment with two external pockets, expandable pocket with two dividers with hook and loop flap closure and side release buckle with a zippered pocket on the flap
- Single Mag Pouch (4.5" x 1 5/8" fully extended 1 7/8") With Hook and Loop Closure
- Radio Pouch (5 1/8" x 1 7/8") With Side Release Buckle With Closure and Adjustable Elastic Cord

Both the belt and leg strap of the drop leg utility rig are fully adjustable and feature side release buckles. The back side is also padded for additional comfort and features MOLLE looping. Rothco's Drop Leg Utility Pouch is ideal for law enforcement and tactical operations.
