

Rothco Fast Access Tactical Trauma Kit

Rothco's Fast Access Tactical Trauma Kit contains over 80 essential first aid supply items packed into our convenient Tactical Convertipack. Rothco's convertipack is MOLLE compatible and has two 4" MOLLE straps on the back. The trauma kit pack has one large main compartment with an interior mesh pocket, two side zippered pouches, and one front zippered pouch with 3 small interior pockets, making it ideal to store and organize the essential first aid items. Constructed from heavyweight denier polyester material, the pack is a durable and long lasting kit bag designed to be put through the toughest situations. It can also be easily converted from a shoulder pack to a waist pack in seconds, giving you maximum versatility. Other features of the Fast Access Trauma Kit include a top carry handle, 4 D-Rings, two exterior pen sleeves and an adjustable/detachable shoulder strap with a quick release buckle. The pack measures 14" x 5.5" x 7".

Contents of the trauma kit include:
