

## Rothco Lightweight MA-1 Flight Jacket

Rothco has taken its classic MA-1 Flight Jacket and streamlined it into a lightweight no fill, bomber style jacket that is perfect for spring and fall. The flight jacket features a super soft enhanced nylon fabric that is also water repellent (outer fabric passed hydrostatic water pressure test) with a matte finish. In keeping with the timeless style of the MA-1 jacket, the coat is equipped with a fully reversible rescue orange lining and left arm utility pocket. The bomber jacket also features two front slash pockets with snap down flaps, two inside slash pockets with snap closure, ribbed knit collar, cuffs and waistband, and brass zippers with leather pull-tabs.
