

Rothco Camo M-65 Field Jacket

The M-65 Field Jacket is one of the most popular Field Jackets used by the U.S. Military. Rothco's M-65 Field Jacket features a water repellent poly/cotton twill exterior, which protects from wind and light rain, for added warmth the m65 coat comes equipped with a button-in quilted liner, which makes the military jacket ideal for cold weather conditions. In addition, the camouflage field jacket features a heavy brass zipper with snap-up storm flap, button down shoulder epaulets, concealed hood with drawstring pull, drawstring waist, and bottom, and hook and loop wrist cuffs ideal for securing your gloves. Rothco's field jacket also comes with four pockets including two large breast pockets with concealed snap closure and two large waist cargo pockets with concealed snap closures.
