

Rothco MA-1 Flight Jacket with Patches

We've taken our classic MA-1 Flight Jacket and have added some patches! This completely customizable bomber jacket comes equipped with four loop fields and five morale patches designed exclusively for the flight jacket. With the loop patch field layout, you can add any hook patch you want for a completely customized look. The loop fields are located on the right sleeve (4 3/4" x 4 3/4"), right chest (4 3/4" x 4 3/4"), left chest (2 1/2" x 3 7/8") and left sleeve (1 7/8" x 3 1/2"). The five morale patches included with the MA-1 jacket are a 3" Round Rothco '53 Wing Patch that highlights Rothco's date of establishment, classic Flight Crew Patch (3 7/8" x 2 5/8") with a Rothco twist, 3" Round Fighter Pilot Patch, Space Explorer Patch (3" x 3 1/8") and US Flag Patch (3 3/8" x 1 7/8").

In addition to the patches, the classic military jacket features 100% Nylon water repellent outer-shell with a fully reversible rescue orange polyester lining. For added warmth, the flight jacket is lined with a poly fiberfill and is equipped with a front closure storm flap. The jacket also features a zippered utility pocket with pencil pocket on the left arm, two front slash pockets with snap closure and two inside slash pockets with snap closure. Additional features of Rothco's MA-1 Flight Jacket with Patches include ribbed knit collar, cuffs, waistband, and brass zippers. The flight jacket has an extra full cut and is available in sizes up to 3XL.
