

Rothco G.I. Type Mechanics Tool Bags

Rothco's G.I. Type Mechanics Tool Bag is constructed of heavyweight cotton canvas, that doesn't lose its shape. The functional tool bag is equipped with 2 outside button snap pockets, ideal for small components and 8 inside tool organizer pockets to store your quick access items. This tool bag also features a canvas carry strap for easy transportation and a full length durable nylon zipper closure. Rothco's tool bag measures 11" x 7" x 6".
