

Rothco MOLLE Plate Carrier Vest

Rothco's MOLLE Plate Carrier Vest is constructed of heavyweight 600 Denier Polyester and features MOLLE webbing that covers most of the vest, making it ideal for attaching modular pouches and accessories. Front and back internal sleeves for soft armor and plates measure 13.75" x 10.25" x 1". The tactical vest includes an adjustable/detachable cummerbund with pockets for side panel plates (plate & soft armor not included). In addition, the MOLLE plate carrier vest features adjustable shoulder straps with detachable pads, an emergency drag handle, padded mesh interior for breathability and quick release side buckles for easy removal. Rothco's MOLLE Plate Carrier Vest comes in two sizes: Regular (small - extra large) and Oversized (2xl-3xl).
