

Rothco Womens Long Length Camo V-Neck T-Shirt

Rothco's Women's Long Length Style V-Neck T-Shirts are designed similar to our longer length camo tee's for a more comfortable and flattering fit that extends past the waist with a V-Neck style collar. The V-Neck style camo t-shirts feature a cotton poly material and they are perfect with a pair of jeans or Rothco's Booty Short Collection. Rothco's Camo T-Shirts are also great for screen printing too!
