

Rothco Womens MA-1 Flight Jacket

Rothco Womens MA-1 Flight Jacket features an updated cut designed especially for a women's figure. The flight jacket features a super soft nylon fabric that is also water repellent (outer fabric passed hydrostatic water pressure test) with a matte finish. In keeping with the timeless style of the MA-1 jacket, the coat is equipped with a fully reversible rescue orange lining and left arm utility pocket. The women's flight jacket also features two front slash pockets with snap down flaps and two interior snap pockets.
