

Smith & Wesson S.W.A.T. Watch

The Smith & Wesson S.W.A.T. Watch is bold in style and features a round black face with Smith & Wesson logo and a stylish leather strap. This watch features precision quartz Japanese movement and includes a glow in the dark back with hands to show the hours, minutes and seconds, date display, tough stainless steel case for impact resistance and reliability, and a scratch resistant hardened mineral glass crystal that protects the dial. The watch is also water resistant up to 30 meters.
