

Sno-Seal Leather Protection

Sno-seal Leather Protection waterproofs and protects leather boots from rain, snow, sun and salt. The 7oz jar filled with Original Beeswax formula dries to a solid wax so, it lasts long and doesn't interfere with the natural breathability of leather. Sno-seal Leather Protection keeps the whole boot dry, warm and light in various weather conditions and helps avoid salt stains and spotting. Leather shoe care preserves and lengthens the life of leather.

Specification

Property	Value
